Welcome to Aggieland!

Now that you’re admitted to Texas A&M, here are your next steps:

Start Here
Register for a New Student Conference. Accept our offer of admission to Texas A&M University by registering for a mandatory New Student Conference (NSC). See detailed NSC information on page 5.

NSC REGISTRATION DEADLINES

<table>
<thead>
<tr>
<th>Application Term</th>
<th>Closed</th>
</tr>
</thead>
<tbody>
<tr>
<td>Spring 2015</td>
<td>12/15/2014</td>
</tr>
<tr>
<td>Summer 2015</td>
<td>5/15/2015</td>
</tr>
<tr>
<td>Fall 2015</td>
<td>7/1/2015</td>
</tr>
</tbody>
</table>

Using your NetID, sign on to howdy.tamu.edu, select the Applicant Tab and enter the Applicant Information System (AIS). Once in AIS, follow the instructions for registering for a conference. The fee for a conference is $100 and is nonrefundable. No waivers are offered; however, if you have utilized an application fee waiver for your Texas A&M application for admission, you qualify for an NSC fee deferral. This means the fee will be billed to your first tuition payment. This payment option will appear online during NSC registration allowing you to register without making payment.

Select a Fixed Tuition Rate Code. Beginning Fall 2014, Texas A&M offers a locked rate tuition plan for undergraduate students. The plan allows for a per semester locked rate for the duration of 12 consecutive full semesters, or four consecutive years, from the time of first enrollment in any institution of higher education after high school. A locked rate provides predictability for students and families by locking in expected charges for the length of a student’s program of study and offers lower rates of tuition over the course of time if the student graduates on time. After the expiration of four years, students will pay the current year’s rates each term until degree completion.

All transfer students are assigned a tuition rate code based on their first term of enrollment after high school. Students can elect to accept their assigned rate code, giving them the remaining time in their four years to complete their degree, or they can elect to move to the current year’s rate code. Moving to the current rate code will allow four more years to complete a degree, but it will be at a higher rate of required tuition and fees.

Spring Admits
Your two-day conference will be held in early January.

Summer and Fall Admits
New Student Conference dates have been set for late May-August.

- Summer admits planning to enroll in the Summer One term should register for the first May NSC date—If this date is full, please submit an emergency appeal in AIS so that we may review your file.
- For transfer students who wish to have a conference that involves a more extensive orientation experience, the freshman and transfer hybrid conference in July is a good option.

If you DO NOT register for an NSC by the deadline we will assume that you have declined our offer of admission and cancel it. Please note, accepting your financial aid package or registering for on-campus housing does NOT mean that you have accepted our offer of admission. Those processes are independent from NSC Registration.

For more information, contact Aggieland Customer Service at 979.845.1060.

Submit your Bacterial Meningitis Immunization Record.

BEFORE you come to your NSC you need to submit your bacterial meningitis immunization records. Upload your evidence of vaccination documents in AIS on the My Documents Tab. Notarized Affidavits to Decline Vaccination must be mailed.

TEC 51.9192 (amended by SB 62) requires all students under age 22 entering an institution of higher education to provide current proof of vaccination against bacterial meningitis (an immunization given within 5 years of the date of intended enrollment) or meet certain requirements for declining such a vaccination. Declining the vaccination requires completing an original Texas Department of State Health Services Vaccination Information Affidavit form that can only be provided by the TDSHS office and takes a significant amount of time to obtain. Newly admitted students who have not provided documentation of a meningitis deficiency hold placed on their account. The hold will be removed once the appropriate immunization documentation has been provided to Texas A&M. The meningitis deficiency hold will prevent you from checking in to your NSC and registering for classes, so it is imperative you fulfill this requirement prior to arriving at your NSC. For more information about this requirement, please visit admissions.tamu.edu/immunizations.

Determine if you need to take the Math Placement Exam or a Foreign language Placement Test.

What is the Math Placement Exam?
The Math Placement Exam (MPE) is a 33-question, multiple-choice, online examination that helps your advisor determine which mathematics course you should take.

Transfer students do not have to take this exam unless you are planning to take MATH 147/151/171 at Texas A&M. A prerequisite restriction will prevent you from enrolling in these courses unless you have either credit for MATH 150 at Texas A&M University or a qualifying grade on the MPE. If you have taken a pre-calculus course at another institution that may be equivalent to Math 150, please check with your Texas A&M advisor to determine if you must take the MPE before enrolling.

To take the MPE, log in to Howdy at howdy.tamu.edu and go to the Applicant Tab and follow the instructions for the Math Placement Exam. Use the online review material available to help you prepare for this 90-minute exam. Be prepared to spend the full 90 minutes taking the exam. If you experience any technical difficulties, please contact the Department of Mathematics at mathassessment@math.tamu.edu.

What are Foreign Language Placement Tests?
Students who intend to enroll for the first time in a college foreign language course who have previous knowledge of the language, however acquired, and who have no college credit in the language MUST take a placement test on the day prior to their scheduled NSC to determine the appropriate course for their level of ability. The foreign language placement test also serves as a basis for credit by examination. Second language learners who take the Advanced Placement (AP) Test, the College Board’s Achievement Test, the International Baccalaureate Test (IB) or the SAT II Subject Test in their foreign language of choice do not have to take the required foreign language placement tests, although it is highly recommended. Heritage language learners must always take the placement test, regardless of their scores on high school tests, because these tests sometimes are not a good reflection of the language abilities of those students.

Spanish Language Placement Tests are administered by Hispanic Studies in the College of Liberal Arts. There is a $20 fee due at the time of registration. For more information, call 979.458.8772. To register for this test, please select Hispanic Studies and then the appropriate language at marketplace.tamu.edu.

All other Language Placement Tests are administered by International Studies in the College of Liberal Arts. There is a $20 fee due at the time of registration. For more information, call 979.845.5144. To register for this test, please select International Studies and then the appropriate language at marketplace.tamu.edu.

All tests are administered on the Pre-Conference Day of the NSC along with credit by examination tests. Tests are also offered at various times during the fall and spring semesters. Students who do not take the placement test on the Pre-Conference Day will not be able to register for a foreign language course during their first semester. (Please note:Seats in language courses are limited. Taking the Language Placement Test does not guarantee the ability to register for a language course during your first semester.)

Doing an extra exam allows you to see if you are prepared for the class.

DO NOT register for an NSC by the deadline we will assume that you have declined our offer of admission and cancel it. Please note, accepting your financial aid package or registering for on-campus housing does NOT mean that you have accepted our offer of admission. Those processes are independent from NSC Registration.

For more information, contact Aggieland Customer Service at 979.845.1060.

Share a pic of you with your congratulations banner and #Aggiebound!
New Student Conference Information

To accept our offer of admission, you must register for a New Student Conference (NSC).

What happens at Your NSC?
At your NSC you will learn how to take full advantage of all the academic programs, student life services and extracurricular activities Texas A&M University has to offer. Your orientation process begins with your NSC, and it is a critical component of your future success at Texas A&M. Over the course of your NSC you will participate in sessions and programs that have been designed to assist you with the transition to Texas A&M.

NSC Registration and Date Selection
NSC registration is available for students immediately through the Applicant Information System (AIS) on the Applicant Tab at howdy.tamu.edu. Once you are logged in to AIS, go to the My App Status Tab, click on My Next Steps and follow the steps to register.

Each academic college participates in preferred conference dates, rather than participating in all NSC dates. NSC date selection is important. Students and families need to consider options carefully and plan around family trips and work schedules.

Students will be able to select a conference date based on seats available for their academic college at the time of registration.

NSC Family and Guest Registration
Texas A&M believes the college experience represents a collaboration involving the student, the student’s family and the university. Family members who accompany their student to the NSC will get valuable information that will help support their student’s transition into the Texas A&M community. Each adult, 18 and up, who wishes to attend must register online and pay the $25 conference charge. Registration for family members is a separate process from student registration. For more information and to register, please contact New Student & Family Programs at nsp@tamu.edu or 979.845.5826.

NSC Reschedulings
Students are allowed to change their NSC date at any time. There is a reschedule button available online in AIS on the My App Status Tab. Only conferences with available seats will be displayed. For many reasons, including safety, we ask that you do not request to be forced into conference dates that are already full.

NSC Confirmation
After you complete registration for your conference, an NSC Confirmation Page will appear on the screen, and an electronic notification will be sent to an email address you have provided during the process. If this does not happen, your conference registration did not go through and you will need to try again.

There are times that the system will not complete registration because the payment was not successful or the registration process timed out.

Make sure you see an NSC Confirmation Page and receive electronic confirmation before you assume your registration was successful.

*Conference is a hybrid conference, including freshman and transfer students.

Changing Your Major
Transfer students are admitted to a specific degree program. Changes of major across colleges will not be considered for at least one full semester. You will be limited to the degree plan to which you have been admitted when registering for courses at your conference.

Students with Disabilities
To arrange for disability accommodations during your NSC, contact Disability Services at 979.845.1637. disability.tamu.edu

Corps of Cadets
You will have several opportunities to learn more about the Corps of Cadets during your NSC. If you intend to join the Corps, you and your family will attend the Corps orientation and registration on the first day of your NSC. If you have additional questions regarding participation in the Corps of Cadets, contact the Corps Recruiting Office at 1.800.TAMU.AGS, corps.tamu.edu or aggiescorp@tamu.edu.

Additional Steps for International Students

Fulfill English Proficiency Requirements.
Texas A&M requires all admitted students from non-English speaking countries demonstrate their ability to speak, write and understand the English language. Please be aware English Language Proficiency (ELP) requirements are different from admissions requirements.

To demonstrate your ability, you must fulfill one of the following:
• Submit an official Test of English as a Foreign Language (TOEFL) score of 100 IBT, 600 pBT or higher or an International English Language Testing System (IELTS) score of at least 7.0 overall band.
• Submit an official score of at least 21 on the ACT English or 500 on the SAT Critical Reading section.
• Transfer from an accredited U.S. institution of higher education with at least 30 semester hours (including the equivalent to Texas A&M’s English 104), and submit an official transcript from the previously attended institution for you to meet the English Proficiency requirements. The transcript must be received prior to registration.

Obtain Appropriate Immigration Documents.
The Certificate of Eligibility Center (CEC) in the Office of International Student Services (ISS) will issue the appropriate documentation needed to apply for a visa after you complete and submit several forms to their office. Important information about your arrival, including these forms, CEC contact information and an online immigration document tracking process, can be accessed at http://iss.tamu.edu/people/newstudent.asp.

You should complete the mandatory online orientation before arriving at Texas A&M University. The online orientation can be accessed at http://iss.tamu.edu/checkin_orientation/orientation.asp. Upon arrival, you must attend the mandatory ISS Check-In. You will not be able to schedule your Check-In appointment until you complete the online orientation. During Check-In, you may have the opportunity to meet with several offices to remove your registration holds. You may need to meet with the Office of Admissions during or after your ISS Check-In if the following services are needed:
• resolve transfer credit or other admission issues, or
• fix a discrepancy in the spelling of your name.

You are highly encouraged to attend the one-day, on-campus International Student Conference (ISC) specifically developed for international students. Note: The ISC is different from the mandatory New Student Conference (NSC) that freshman students are required to attend. For information concerning online orientation, the dates of Check-In and/or the ISC, please visit http://iss.tamu.edu.

HEALTH INSURANCE
International students are automatically enrolled in and charged for comprehensive health insurance and repatriation/evacuation coverage while in the U.S. and enrolled at Texas A&M University. For more information on International Student Health Insurance, visit http://iss.tamu.edu/insurance/insurance.asp.

DOMESTIC & INTERNATIONAL PRE-ENROLLMENT CHECKLISTS

The checklists on this page will help you prepare for your first year. Items are in chronological order and are required for successful enrollment.

DOMESTIC TRANSFER STUDENTS
- Secure our offer and register for a New Student Conference (NSC).
- Complete NSC Family and Guest Registration.
- Apply for on-campus housing or learn about off-campus housing options at reslife.tamu.edu.
- Select your fixed tuition rate code at howdy.tamu.edu, My Finances Tab.
- Apply for financial aid (FAFSA) by March 15.
- Apply for scholarships – deadlines match application deadlines.
- Log in to your Texas A&M email account with your NetID and password at google.tamu.edu.
- Upload your proof of vaccination against bacterial meningitis at howdy.tamu.edu, Applicant Tab.
- Verify residency at howdy.tamu.edu, Applicant Tab.
- Complete the Texas A&M Math Placement Exam at howdy.tamu.edu, Applicant Tab (if applicable).
- Complete the Lab Safety Acknowledgement at howdy.tamu.edu.
- Complete any Foreign Language Placement Tests (if applicable).
- Send your final official high school transcript via TRex (Texas high schools only).
- Send your official college transcripts via Speedee.
- Fulfill the Texas Success Initiative (TSI) requirement at dars.tamu.edu/Testing/TSI-QTHEA/Texas-Success-Initiative (if applicable).
- Learn more about ...
  - short-term and emergency tuition and fees loans at sbs.tamu.edu/loans
  - student employment at jobsforaggies.tamu.edu
  - credit by examination at dars.tamu.edu/testing
  - services for students with disabilities at disability.tamu.edu
  - recommended immunizations at shs.tamu.edu/immunizations
  - health insurance at shs.tamu.edu/insurance
  - extended orientation programs like Transition Camp or Howdy Camp at atc.tamu.edu

INTERNATIONAL TRANSFER STUDENTS
- Secure our offer and register for a New Student Conference (NSC).
- Apply for on-campus housing or learn about off-campus housing options at reslife.tamu.edu.
- Select your fixed tuition rate code at howdy.tamu.edu, My Finances Tab.
- Learn about international student visa information.
- Complete the International Student Services (ISS) Online Orientation.
- Schedule your ISS Check-In Appointment.
- Submit the required paperwork to ISS.
- Review the university policy requiring all international students to maintain health insurance at http://iss.tamu.edu/insurance/insurance.asp.
- Apply for financial aid (FAFSA) by March 15.
- Fill out the 2014-2015 FAFSA online at financialaid.tamu.edu/international/apply-for-aid.
- Apply for scholarships.
- Log in to your Texas A&M email account with your NetID and password at google.tamu.edu.
- Review English Language Proficiency (ELP) information.
- Upload your proof of vaccination against bacterial meningitis in AiS.
- Learn about other immunization recommendations at shs.tamu.edu/TB.
- Complete the Texas A&M Math Placement Exam at howdy.tamu.edu, Applicant Tab (if applicable).
- Complete Foreign Language Placement Tests (if applicable).
- Complete the Lab Safety Acknowledgement at howdy.tamu.edu.
- Send your final official high school transcript (and diploma if issued by a foreign institution).
- Send your official college transcript(s).
- Fulfill the Texas Success Initiative (TSI) requirement at dars.tamu.edu/Testing/TSI-QTHEA/Texas-Success-Initiative (if applicable).
- Learn more about ...
  - the International Student Conference (ISC) at http://iss.tamu.edu/events/isc.asp
  - short-term and emergency tuition and fees loans at sbs.tamu.edu/loans
  - regulations concerning student employment at https://www.tamuemployment.com/events
  - credit by examination at dars.tamu.edu/testing
  - services for students with disabilities at disability.tamu.edu
  - extended orientation programs like Transition Camp or Howdy Camp at atc.tamu.edu

General Information

Applicant Information System and the Howdy Web Portal
The Applicant Information System (AIS) has been created to take you through the admission process, from application, admission decision and registering for an NSC. Howdy is a “one-stop shop” for your student information and university resources. Howdy provides helpful information, such as guidance in applying for financial aid, locating housing, class registration information, payment deadlines and more. Check Howdy regularly for important announcements, news and event information. Questions or problems concerning Howdy should be directed to 979.845.8300 or helpdesk@tamu.edu.

Activate Your Texas A&M Email Account
Once you have registered for your NSC, a Texas A&M email address is created for you. Your email account will be your NETID@tamu.edu. This email address will be used for all official school correspondence. It is important to activate this account and check it regularly. Activate your account at google.tamu.edu.

Apply For Financial Aid
Scholarships & Financial Aid would like to assist you in finding a financial solution for your education. We understand that choosing a college/university is a tough decision. Financial aid can be one of the most influential factors affecting this decision, but before you decide, let us help by providing a financial aid package that best meets your financial needs.

In order to be eligible for financial assistance, you must first submit a Free Application for Federal Student Aid (FAFSA). The FAFSA is used to award grants, loans and work-study programs. It is available online at fafsa.ed.gov. There is no cost to submit the FAFSA, and it must be renewed every year. Although there is no deadline for submitting the FAFSA, we recommend Fall admits complete the 2015–2016 FAFSA by March 15, 2015. Spring and Summer admits should complete the 2014–2015 FAFSA as soon as possible. The FAFSA school code for Texas A&M University is 003632. Once we have received your information, you will be able to check your status and your financial aid options online at howdy.tamu.edu. Click on the My Finances Tab, enter the Scholarships & Financial Aid Portal.

International students may qualify for financial aid depending on their visa status. More information can be found at financialaid.tamu.edu/international.

Aggie Transfer Scholarship
The Aggie Transfer Scholarship is designed to recognize outstanding students who will be transferring to Texas A&M. The annual awards range from $500-$3,000. Students must have completed at least 24 hours at their previous institution. Selection criteria for the Aggie Transfer Scholarship include, but are not limited to, academic achievement, extracurricular activities, leadership, major and in some instances, financial need as determined by the Free Application for Federal Student Aid (FAFSA). Students may apply using the Apply Texas Transfer Application. For more information about scholarships offered for transfer students, visit scholarships.tamu.edu/transfer/available-scholarships.

Texas A&M University has a strong institutional commitment to the principle of diversity in all areas. In that spirit, admission to Texas A&M University and any of its sponsored programs is open to all qualified individuals. Texas A&M University does not discriminate on the basis of an individual’s disability and complies with Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act (ADA) in its admissions, accessibility, treatment and employment of students in its programs and activities.

Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (Clery Act) Information regarding campus security and safety resources, policies, and procedures for safety (reporting crimes and emergencies, crime awareness and prevention, and security of campus facilities and residence hall), alcohol, drugs, weapons and sexual assault, and crime information is on the websites uhp.d.tamu.edu and ed.gov/机构/校/校安全/校园.html.

Aggie Transition Camps
"A Transfer's First Tradition," Aggie Transition Camps assist new students in their transition into the Aggie Family. Participants will learn about Texas A&M’s history and traditions and meet other incoming students. Speakers and special interest groups discuss activities and opportunities available to them at Texas A&M and in the community. atc.tamu.edu
