Students are expected to come to the New Student Conference prepared. We encourage you to tear out this page to remind you of what you need to do before your NSC.

Before your New Student Conference, be sure to:

- Make your NSC overnight accommodations. See page 5 in this book for details.
- Register any family members or guests who are attending the NSC with you. See page 4.
- Purchase an NSC parking permit. See page 6.
- Submit evidence of vaccination against bacterial meningitis. See page 10.
- Take your Math Placement Exam and Foreign Language Placement Test, if applicable. See page 8.
- Begin checking your Texas A&M Gmail account as this is the university’s primary, and official, means of communicating with you. See below.
- Connect with us!

**TEXAS A&M GMAIL**

As a confirmed new student, you now have a Texas A&M Gmail account. Your email address is NetID@tamu.edu. Your NetID is the same ID you use to log in to Howdy and the Applicant Information System (AIS). You should start checking your Texas A&M Gmail account regularly because important information will be sent there prior to your New Student Conference.

To check your email, visit google.tamu.edu and log in with your NetID and password.

You can also set up Texas A&M Gmail on your smartphone so you won’t miss any important email! To learn how, visit hdc.tamu.edu/Connecting/Google_Apps/index.php.

If you have questions about your Texas A&M Gmail account or NetID, call the Texas A&M Information Technology Help Desk Central at (979) 845-8300 or visit IT.tamu.edu.
Welcome to the Aggie Family! We're excited you decided to continue your education here at Texas A&M. The coming years promise to be exciting ones for you. The Aggie Network will connect you with students, faculty and staff from diverse backgrounds, cultures and countries. You will be uniting with them in the rewarding pursuit of knowledge and the thrill of learning.

As a transfer student, you bring valuable college and life experiences to our community. Whether you are transferring from a community college or a four-year institution, we know you're not new to college but are new to Texas A&M. Because of that, we've designed a New Student Conference with knowledge specific to joining the Aggie Family. Your transition to Aggieland begins with your NSC, and it's a critical component of your success at Texas A&M University.

When you come to your New Student Conference, make sure you bring:

- NSC confirmation letter and NSC Handbook. If you do not have your confirmation letter, print out a copy of the New Student Conference Confirmation page in AIS, which will be located on the My App Status tab after clicking the Registration Details button (applicant@tamu.edu). You can attend ONLY the NSC for which you registered.
- Transcripts for all college work previously completed, if they have not already been sent to Texas A&M.
- Texas Success Initiative test results or scores showing exemption, if they have not already been sent to Texas A&M.
- Government-issued picture identification (driver's license, passport, etc.) for verification at testing, and to have your Texas A&M ID card made.
- Money for meals and extras. Please note that some services do not take credit cards.
- Comfortable clothes and walking shoes. You will be walking frequently around a LARGE campus for different meetings. Weather during the summer in College Station is very hot and humid, but conference rooms can be chilly, so pack a light jacket.
- Umbrella or raincoat (as needed).
- Bag or backpack for gathering and carrying materials from resource tables and meetings.
- A pen and pad of paper to take notes.
- A refillable water bottle.
- Laptop computer (optional). You will have access to Texas A&M computers in the lab; however, some find it convenient to bring their own laptop to view the online course catalog, course schedules, etc.

At your New Student Conference, you can expect to develop:

- Awareness of the university's offerings related to housing, dining, transportation, financial assistance, academic support and career guidance.
- Interactions with current students to discuss expectations and ask questions.

This New Student Conference Handbook was developed to help you make the most of your NSC experience. Please take time to read through this and any other materials you receive from the university. These materials are valuable resources you can use throughout your first year at Texas A&M University.

Don't be afraid to ask questions! You're receiving a lot of information right now, and we're here to help you figure it all out — that's what the Aggie Family is for! You will also have the opportunity to participate in social programs during your New Student Conference. This is a great time to meet fellow Aggies and learn more about Aggie traditions.

Conference staff and Orientation Leaders will be available throughout your conference, so take advantage of the opportunity to ask any questions you have. Your best chance for success comes through combining careful planning, informed decision making, and timely use of services and resources with your dedication and commitment to the ultimate goal — academic success!
Texas A&M University provides equal opportunity to all employees, students, applicants for employment or admission, and the public regardless of race, color, religion, sex, national origin, disability, age, genetic information or veteran status. Texas A&M University will promptly investigate all complaints of discrimination, sexual harassment and related retaliation in accordance with applicable federal and state laws. Further, Texas A&M University will maintain a work and educational environment free from discrimination on the basis of sexual orientation, gender identity or gender expression.

CONFERENCE QUESTIONS?
For information concerning conference registration for students, please contact:
Office of Admissions
(979) 845-1060
admissions@tamu.edu
• Visit applicant.tamu.edu, select Contact Us, Ask a Question, and submit your question.

For information concerning conference programs or family/guest registration, please contact:
New Student & Family Programs
(979) 845-5826
nsfp@tamu.edu
newaggie.tamu.edu
MESSAGE TO FAMILY MEMBERS

Texas A&M University believes the college experience represents a collaboration involving the student, the family of the student and the university. While the New Student Conference is only mandatory for students, we invite family members and guests to attend and participate in a variety of sessions and services specifically designed for them. Accompanying your student to the New Student Conference will provide you with valuable information to help support your student’s transition into the Texas A&M University community. By participating, you will become informed about the university’s academic programs, policies, facilities and services. While all family members are welcome to attend, conference activities are not designed for the enjoyment of younger children. If possible, alternate arrangements are encouraged.

Each family member or guest who wishes to attend must register online and pay the respective conference charges ($25 per family member 18 and older; $10 per family member 5–17, no charge for children under 5). Registration for family members is a separate process than the student registration. For more information and to register, please visit newaggie.tamu.edu/family-and-guests. Priority registration is open until four business days prior to your student’s New Student Conference Day One; late registration will be available for $35 per adult family member. For questions related to family member registration, please contact New Student & Family Programs at aggiefamilies@tamu.edu or (979) 845-5826.

Further information regarding support for family members beyond the New Student Conference can be found at parents.tamu.edu.

NEW STUDENT CONFERENCE STAFF

OFFICE OF NEW STUDENT & FAMILY PROGRAMS (NSFP)

In support of Texas A&M University’s mission, the goal of the Office of New Student & Family Programs is to facilitate your success as a new student through your first year at Texas A&M. Through various programs and publications, including New Student Conferences, NSFP staff strive to provide you with the framework to adjust to the expectations, standards, academic rigors and social community at Texas A&M University. NSFP also facilitates collaboration between university services in order to provide a comprehensive new student experience.

Office of New Student & Family Programs
(979) 845-5826
studentlife.tamu.edu/nsfp
Follow us on Twitter @NSFPtamu

AGGIE ORIENTATION LEADERS

Orientation Leaders are students who volunteer their time to welcome and assist new students and their families. Members of the Aggie Orientation Leader Program (AOLP) can be identified by their distinctive maroon polos and welcoming smiles. These students are trained to help make the conference a memorable and fun experience. Have a question or a problem? Seek out an Orientation Leader — they’re here for you! Orientation Leaders work with the New Student & Family Programs staff, and will be on hand to assist you throughout your conference. Visit aolp.tamu.edu.

CONFERENCE T-SHIRTS

• 2017 and 2018 shirts (limited quantities and sizes available)
• Aggie Family shirts
• All T-shirts are $15 each (cash or check only) and will be available at Check-In

NEW STUDENT CONFERENCES EN ESPAÑOL

Thanks to the generosity of The Association of Former Students, the Office of New Student & Family Programs offers Spanish translation for family members during the New Student Conference.

Programs designated for Spanish translation will be noted in the NSC schedule and provided via headset. Family members interested in having programs translated will need to visit the Help Desk on Day One of the NSC to receive a headset.

Additionally, a Spanish-speaking staff member will be available at Check-In and the Help Desk for family members to ask questions as needed. These services are provided free of charge, but we do request that families indicate their interest in utilizing this service on their family/guest registration form.
CONFERENCE HOUSING OPTIONS

OVERNIGHT ACCOMMODATIONS
Both days of the New Student Conference are mandatory; therefore, you will need overnight accommodations for at least one night. Costs for housing are NOT included in the student or family member registration fee, and arrangements must be made separately. You may choose to stay on campus or off campus during your NSC.

ON-CAMPUS ACCOMMODATIONS
The Department of Residence Life invites you, family members and friends to stay in on-campus conference housing. Conference housing will be available on the north side of campus. On-campus conference housing tends to fill quickly and is available on a first-come, first-served basis.

Please bring items such as a cell phone, mattress pads, travel alarm clocks, blankets and pillows to use during your stay. Bed linens and towels are provided, but you may want to bring your own items to make your stay more comfortable. Each room has two twin beds. Rollaway beds or cribs are not available. Conference housing is NOT available for the May 21–22 or the August 18–19 conferences.

Students and families staying in on-campus conference housing may check in to housing any time after 2:00 p.m. the day before their conference or any time on Day One of the conference at Hullabaloo Hall.

ROOM RATES
Room rates for summer New Student Conferences on-campus guest housing can be found in the New Student Conference Housing online reservation site. Links to this site can be found at newaggie.tamu.edu/transfer/housing. Housing costs will be billed to the student’s account (all rates subject to change) after the student and his or her family have checked out of housing. Costs for housing are NOT included in the New Student Conference registration fee.

OFF-CAMPUS CONFERENCE HOUSING
For accommodations in Bryan/College Station, please contact the Bryan/College Station Convention and Visitors Bureau at (979) 260-9898 or visitaggieland.com for information on area hotels and motels. If you are staying off campus, you will need to provide your own transportation.

DINING ON CAMPUS

MEALS ON YOUR OWN
Texas A&M University Dining invites you to dine with us on campus during your New Student Conference. We offer a variety of options around campus and welcome students, parents and visitors. For location and facility hours, please refer to the summer schedule handout you will receive at NSC Check-In. For additional information regarding University Dining and your dining plan options, please visit dining.tamu.edu, or contact us at (979) 845-3005 or TAMUDining@compass-usa.com.

STUDENT/FAMILY LUNCHEON
Lunch on Day One of the New Student Conference is included in your conference fee for both students and families. Enjoy a relaxed meal on campus while you learn more about resources for transfer students, meet other students or family members, and interact with Orientation Leaders. To attend, students must RSVP online at newaggie.tamu.edu/studentluncheon no later than 72 hours before the start of your NSC. Families do not require an RSVP. See page 14 for more details.

DISABILITY SERVICES
Disability Services (DS) interacts and collaborates with students, faculty and staff to promote an inclusive environment at Texas A&M University by educating the campus community and facilitating appropriate accommodations for students with disabilities. Students with documented disabilities such as mobility, hearing or visual impairments, or learning and/or psychological disorders may be eligible for services and should submit an accommodation request form and documentation of their disability to Disability Services to begin the process to set up accommodations. Representatives from Disability Services are available to meet with students and family members during New Student Conferences. If eligible, you may arrange for accommodations during your New Student Conference by submitting documentation of your disability to DS at least two weeks prior to your New Student Conference.

Disability Services
Cain Hall, Room B-118
(979) 845-1637
disability.tamu.edu
NSC PARKING
Please read all information before purchasing a parking permit for your New Student Conference. ALL vehicles must display a valid Texas A&M University parking permit when parked on university property (other than visitor parking areas). New Student Conference attendees should purchase a SUMMER WEEKLY permit OR lot-specific parking permit to park on campus OR pay to park in a visitor facility. The most convenient lot for New Student Conference Check-In is West Campus Garage or lot 61. Attendees should select the option below that best meets their needs.

OPTION 1: Purchase a Summer Weekly Permit
The Summer Weekly permit allows attendees to park in the following lots: 30, 40, 43, 50, 61, 71, 88, 100, West Campus Garage and Southside Garage. Visit transport.tamu.edu/BSMmap. The permit is $15 and is only valid for the dates selected during the purchase process.

Summer Weekly permits are nonrefundable and available for purchase online only at https://transport.tamu.edu/account/. Attendees purchasing the Summer Weekly permit will print the permit after purchase. Permits must be displayed on the dashboard while parked on campus. When parking in West Campus Garage, scan the barcode on your permit at the entry and exit gates.

OPTION 2: Pay to Park in a Garage or Visitor Parking Area
If attendees do not wish to purchase a Summer Weekly permit, they can pay hourly parking rates in University Center Garage, Central Campus Garage, Northside Garage, West Campus Garage, or lots 51, 61, 62, 74, 88 or 97. Payment for surface lots and Northside Garage is required upon arrival, and payment for other garages is required upon exit. transport.tamu.edu/VISmap

OPTION 3: August NSC Attendees Only, Use Your Fall 2015 Permit
August NSC attendees who have ordered and received their fall 2015 permit may display it and park in their assigned lot. All others should purchase a $20 Weekly Visitor permit and park in one of the Any Valid Permit areas shown on the map at transport.tamu.edu/AVPmap.

WHEN DO FALL CLASSES START?
The first day of classes for the 2015 fall semester is August 31.
First summer term classes begin June 2; second summer term classes begin July 7.
VETERAN AND DEPENDENT SERVICES
AND RESOURCES

At Texas A&M University we are proud of our rich military heritage. We also take great pride in our standing as a national leader in service to our students who are veterans, active duty, Reserve/National Guard, military dependents and survivors. Texas A&M University is committed to serving well those who have served through a uniquely collaborative support network that provides personalized resources and services. Our two offices, the Veteran Services Office and the Veteran Resource and Support Center, have a unique and powerful relationship that is specifically designed to facilitate your transition to our nationally ranked campus so you can achieve your educational goals.

The Veteran Services Office provides services and support for all of your Veteran Affairs and State of Texas educational benefits. In addition to certifying your benefits, they can answer questions and provide assistance with financial aid and scholarships. The Veteran Resource and Support Center serves the needs of all military-affiliated students and prospective student veterans with uniquely tailored campus and community resources. Both offices work with other campus offices to focus on the transition and retention of veterans. We are here to serve you and connect you to the rest of campus. THANK YOU for your service to our country, and we stand ready to serve you as you pursue your education.

Services from both the Veteran Services Office and the Veteran Resource and Support Center:

- A mandatory New Student Conference orientation for student veterans (highly encouraged for military dependents).
- VetCamp (held in the fall and spring) — an in-depth orientation about campus and community resources (spouses welcome).
- Boots to Backpacks (held in the fall) – a social connecting new student veterans to current student veterans and the administrators who support them.

Services from the Veteran Services Office:

- Federal and state veterans’ education benefits processing.
- Scholarship and financial aid advising.
- Referrals to other services, course credit for military service, academic resources and military service withdrawals.

Services from the Veteran Resource and Support Center:

- Academic support and student life skills
- Aggie Vet Network and Vet Connect programs.
- FREE tickets for student vets (as available).
- Military admissions.
- Relocation/housing assistance referrals.
- Disability services referrals.
- Veteran/military-related student and professional organizations.
- Career services (both part-time as a student and full-time after graduation).
- Student Veterans Association (tamuveterans.tamu.edu).

Corps of Cadets Delta Company — for combat veterans who want to join the Corps.

Vet Success on Campus Counselor — your direct connection to the Department of Veterans Affairs.

The mission of the Veteran Services Offices and the Veteran Resource and Support Center is to “serve well those who have served!” Contact us today to find out how we can help you make the transition to Aggieland!

CONFERENCE REQUIREMENTS

NSC TESTING

DO I NEED TO TAKE THE MATH PLACEMENT EXAM (MPE)?

If you are a transfer student, it is likely you do not have to take the Math Placement Exam.

There is one exception — if you are planning to take MATH 147/151/171 at Texas A&M, a prerequisite restriction will prevent you from enrolling in this course unless you either have credit for MATH 150 at Texas A&M or a grade on the MPE. If you have taken a pre-calculus course equivalent to MATH 150 (TCCNS 2412) at another institution, your Texas A&M advisor might be able to substitute that for MATH 150; otherwise, you will have to take the MPE before you can enroll in MATH 147/151/171.

For more information, please visit newaggie.tamu.edu/transfer/testing.

HOW DO I MEET THE TEXAS SUCCESS INITIATIVE (TSI) REQUIREMENT?

Many transfer students are exempt from the TSI requirement. Unless exempt, students must first complete the TSI Pre-Assessment Activity and then take the TSI Assessment Test. A list of possible exemptions can be found at successcenter.tamu.edu/Programs/Texas-Success-Initiative/TSI-Exemptions. Non-exempt students will be blocked from registering for all classes during the New Student Conference until the TSI Assessment Test has been taken and scores are on file at Texas A&M University.

The TSI Assessment Test is available on the Pre-Conference Day of each New Student Conference for students who have not met the Texas Success Initiative requirement. Students need to register for the test prior to the test date by contacting Data and Research Services at (979) 845-0532. Students may take the TSI Assessment Test at most Texas public colleges in their area and send the scores to the Academic Success Center at Texas A&M University.

If you have further questions concerning the Texas Success Initiative, please contact the Academic Success Center at (979) 845-2724 or visit successcenter.tamu.edu/Programs/Texas-Success-Initiative.

REQUIRED FOREIGN LANGUAGE PLACEMENT TESTING

Students who intend to enroll for the first time in a college foreign language course, who have previous knowledge of the language, however acquired, and who have no college credit in the language MUST take a placement test to determine the appropriate course for their level of ability. The foreign language placement test also serves as a basis for credit by examination. Second language learners who take the Advanced Placement (AP) test, the College Board Achievement Test, the International Baccalaureate Test (IB) or the SAT II Subject Test in their foreign language of choice do not have to take the required foreign language placement tests, as the results of these tests may be used for placement, but it is highly recommended. Heritage language learners must always take the placement test, regardless of their scores on high school tests, because these tests sometimes are not a good reflection of the language abilities of those students.

The Spanish Language Placement Test is administered by Hispanic Studies in the College of Liberal Arts. There is a $30.00 fee that is due at the time of registration. For more information, please visit newaggie.tamu.edu/transfer/testing.

All other Language Placement Tests are administered by International Studies in the College of Liberal Arts. There is a $30.00 fee that is due at the time of registration. For more information, call (979) 845-5144, and to register for this test, please select “Dept. of International Studies” at marketplace.tamu.edu. Students will be able to select a date, time and language during their test registration.

All tests will be administered on the Pre-Conference Day of the New Student Conference. The test will also be offered at various times during the fall and spring semesters. Students who do not take the placement test on the Pre-Conference Day will not be able to register for a foreign language course during their first semester. (Please note: seats in language courses are limited; taking the Language Placement Test does not guarantee the ability to register for a language course during your first semester.)
WHAT IF I NEED TESTING ACCOMMODATIONS DUE TO A DISABILITY?

If you have a disability and require specific accommodations to complete any of the NSC placement exams or TSI requirements, please contact the Department of Disability Services to discuss your needs. Reasonable testing accommodations are provided to allow students with documented disabilities an opportunity to demonstrate their skills and knowledge.

In order to coordinate testing accommodations for any of the tests offered through New Student Conferences, students must submit documentation of their disability to DS at least two weeks prior to the scheduled testing date for review. Please contact the Disability Services office at (979) 845-1637 or visit disability.tamu.edu for more information.

LAB SAFETY ACKNOWLEDGMENT REQUIREMENT

Some courses require students to submit a Lab Safety Acknowledgment (LSA) before registration is permitted. All New Student Conference attendees must submit the LSA prior to their New Student Conference to ensure registration access. Step-by-step instructions for submitting your LSA via Howdy are available at registrar.tamu.edu/forms/LabSafetyAck.pdf. Your Howdy portal is accessible at howdy.tamu.edu. If you need assistance, please contact the Office of the Registrar at (979) 845-7117.
**BACTERIAL MENINGITIS REQUIREMENT**

TEC 51.9192 requires all students under age 22 entering an institution of higher education to provide current proof of vaccination against bacterial meningitis (an immunization given within five years of the date of intended enrollment) or meet certain requirements for declining such a vaccination. Newly admitted students who have not provided documentation of vaccination have a meningitis deficiency hold placed on their account. The hold will be removed once the appropriate immunization documentation has been provided to Texas A&M. The meningitis deficiency hold will prevent you from checking in to your New Student Conference and registering for classes, so it is imperative you fulfill this requirement prior to arriving at your NSC.

The law further states that students must receive the vaccination no later than 10 days before the first day of the semester in which the student enrolls. Therefore, all new students enrolling for the fall 2015 semester must receive the vaccination by August 21 or before your conference (whichever date is earlier). For students attending the August 18–19 conference, you are strongly encouraged to submit your Evidence of Vaccination by July 7 so that you can be pre-registered for your classes by your academic college.

If you arrive at your New Student Conference and have not yet fulfilled this requirement, you will not be able to check in and must take care of your immunization requirement immediately. Vaccinations will be available at the Beutel Health Center on campus at a cost comparable to local pharmacies.

**MENINGITIS DOCUMENTATION DEADLINES**

<table>

<td>June 26</td>
</tr>
<tr>
<td>Fall 2015</td>
<td>Prior to your New Student Conference*</td>
</tr>
</tbody>
</table>

*For students attending the August 18–19 New Student Conference, you are strongly encouraged to submit your Evidence of Vaccination by July 7 so that you can be preregistered for classes by your academic college.

Payment by check or credit card can be made when the vaccination is administered, or the charge can be added to your fee statement. Students are highly encouraged to take care of this requirement prior to the New Student Conference, as the cost of the vaccination may be lower through your current health care provider.

Upload your proof of vaccination through AIS (applicant.tamu.edu) by choosing the link under the “Upload Supporting Documents” section. You will be able to view receipt of your immunization document on AIS under the Documents tab within the next 24 hours. Please allow a few days for Office of Admissions staff to complete processing on your immunization document.

To determine if you have satisfied the evidence of vaccination requirement for bacterial meningitis, go to the AIS website and ensure that a check mark is present on the bacterial meningitis checklist item found under the “Documents Required prior to Enrollment/Registration” section.

For more information including where to send your documentation, visit admissions.tamu.edu/meningitis/.
CONFERENCE PROGRAMS
You will receive an official schedule at Check-In; however, tentative schedules are posted on the newaggie.tamu.edu website one week prior to your New Student Conference date. Times, locations and specific program descriptions in this publication are subject to change.

Please note: if you are attending the June 30–July 1 conference, it is a combined freshman/transfer conference and will follow the freshman schedule. It is available at newaggie.tamu.edu.

PRE-CONFERENCE DAY
We encourage you to arrive on the day prior to your New Student Conference, what we refer to as the Pre-Conference Day. For example, if you are registered for the July 9–10 conference, your Pre-Conference Day will take place on July 8. If you do not check in on the Pre-Conference Day, then you should note that Check-In on the morning of Day One is mandatory.

International students: Please keep in mind when choosing a New Student Conference date that you are required to attend a check-in appointment with International Student Services the day prior to your New Student Conference. Please visit newaggie.tamu.edu/international-students for additional information.

Frequently Asked Questions

HOW CAN I CHANGE MY CONFERENCE DATE?
You are required to attend the conference date for which you are registered. Students are not allowed to participate in a conference they are not registered for in advance. You are allowed to change your conference date as long as dates are shown to be available on the NSC registration website, accessible through AIS. Once dates are full, they will be removed from the site, and they are no longer available due to seating capacity limits and safety regulations. Each year students request to be forced into conferences to accommodate changes in their personal schedule due to work conflicts or travel; these types of requests are denied by the NSC Registration Appeals Committee in order to ensure the safety of the other participants.

Appeals to change a conference date are only granted for military orders, medical emergencies or other extenuating circumstances that students can substantiate with written documentation. Appeals are submitted through AIS at applicant.tamu.edu by going to the Contact Us tab, clicking Ask a Question, and selecting a subject type of NSC Appeal and completing the required fields.

IF MY PARENTS OR OTHER FAMILY MEMBERS PLAN TO ATTEND THE NSC WITH ME, DO THEY NEED TO REGISTER?
Yes. Each adult family member (18 and up) who wishes to attend must register online and pay the $25 conference charge. Registration for family members is a separate process from the student registration. For more information and to register, please visit newaggie.tamu.edu/family-and-guests. Priority registration is open until four business days prior to the student’s conference date at the $25 per family member rate; on-site registration will be available for $35 per adult family member.

For questions related to family member registration, please contact New Student & Family Programs at aggiefamilies@tamu.edu or (979) 845-5826.

CAN I CHANGE MY MAJOR?
Transfer students are admitted to a specific degree-granting program and should be aware that not all other majors may be available to them for future changes of majors. Changes of major across colleges will not be considered for at least one full semester. Many departments and colleges have grade point requirements, and Texas A&M residency requirements and restrictions for changes of major. Your course registration at your New Student Conference will be limited to the degree program to which you have been admitted. For more information, please contact your specific academic college.

WHEN DO I PAY FOR TUITION, FEES AND OPTIONAL CAMPUS SERVICES?
Tuition and fees payment information may be found online at sbs.tamu.edu. Students will have access to view fee statements and pay online beginning in August. An email notification will be sent to the student’s Texas A&M email account with a link to the online statement when fees for the fall term have been calculated.

Students attending August conferences are encouraged to pay tuition and fees immediately after registering. Payments may be submitted online or in person at the General Services Complex in Suite 2801 (expect long lines in August).

Payment options include (please note cash is not an option):
- Online credit cards and e-checks.
- Check, cashier’s check or money order.
- Wire transfer.
- Installment plan.
- Emergency tuition and fee loans — see loan applications at financialaid.tamu.edu for details.

In addition to registering for your classes during your New Student Conference, you will have the opportunity to select from various optional services. These may include dining plans, parking permits and a sports pass. Any optional services that you select will appear on your fee statement in addition to your tuition and any required fees.

A list and description of required and optional fees can be found at sbs.tamu.edu.
EXTENDED ORIENTATION PROGRAMS

Extended orientation programs are designed to provide new students with additional opportunities to socialize and network with new and continuing students. While attendance at a New Student Conference is mandatory for all new undergraduate students, participation in extended orientation programs, such as T-Camp, is optional but highly encouraged! For information on the various programs available, please visit newaggie.tamu.edu/transfer/after-your-nsc.

GIG ‘EM WEEK: AGGIELAND’S WEEK OF WELCOME: AUGUST 23–30

Your classes are set, you’ve moved in, and you have learned some of the traditions that make this place so special…what’s next? Gig ‘Em Week! This week is full of events and opportunities for new and returning students to become familiar or reacquainted with the Texas A&M campus, fellow Aggies and the Bryan/College Station community.

Gig ‘Em Week provides you an opportunity to learn more about the campus, other students and college life in general through a series of educational and social events sponsored by university departments, colleges, student organizations, residence halls and community members. Gig ‘Em Week is coordinated by the Office of New Student & Family Programs and takes place the week before classes begin in the fall. For more information, please visit gigemweek.tamu.edu.

UNDERGRADUATE CONVOCATION: AUGUST 30 AT 2:00 P.M., REED ARENA

Undergraduate Convocation officially welcomes new students to the Texas A&M University Community of Scholars in a manner similar to the recognition they will receive at commencement. Incoming undergraduate students will join faculty, college deans, and the university president and vice presidents to commemorate their entry into the Texas A&M University Community of Scholars. In addition, when assembled in one place, incoming students will gain a sense of their number, strength and identity as well as develop an important connection to one another and to the university. Family members are welcome to attend. For additional information, please visit undergrad convo.tamu.edu.

STILL HAVE QUESTIONS?

Be sure to check out the New Student Conference website, newaggie.tamu.edu. The New Aggie website features extended FAQs, PDF versions of every publication you have received from Texas A&M since the time of your admission, and much more!

Welcome to the Aggie Family! We’re excited you decided to continue your education here at Texas A&M. The coming years promise to be exciting ones for you. The Aggie Network will connect you with students, faculty and staff from diverse backgrounds, cultures and countries. You will be uniting with them in the rewarding pursuit of knowledge and the thrill of learning.

As a transfer student, you bring valuable college and life experiences to our community. Whether you are transferring from a community college or a four-year institution, we know you’re not new to college but are new to Texas A&M. Because of that, we’ve designed a New Student Conference with knowledge specific to joining the Aggie Family. Your transition to Aggieland begins with your NSC, and it’s a critical component of your success at Texas A&M University.

At your New Student Conference, you can expect to develop:

- Awareness of the university’s offerings related to housing, dining, transportation, financial assistance, academic support and career guidance.
- Interactions with current students to discuss expectations and ask questions.

This New Student Conference Handbook was developed to help you make the most of your NSC experience. Please take time to read through this and any other materials you receive from the university. These materials are valuable resources you can use throughout your first year at Texas A&M University.

Don’t be afraid to ask questions!

You’re receiving a lot of information right now, and we’re here to help you figure it all out — that’s what the Aggie Family is for! You will also have the opportunity to participate in social programs during your New Student Conference. This is a great time to meet fellow Aggies and learn more about Aggie traditions.

Conference staff and Orientation Leaders will be available throughout your conference, so take advantage of the opportunity to ask any questions you have. Your best chance for success comes through combining careful planning, informed decision making, and timely use of services and resources with your dedication and commitment to the ultimate goal — academic success!
Students are expected to come to the New Student Conference prepared. We encourage you to tear out this page to remind you of what you need to do before your NSC.

Before your New Student Conference, be sure to:

- Make your NSC overnight accommodations. See page 5 in this book for details.
- Register any family members or guests who are attending the NSC with you. See page 4.
- Purchase an NSC parking permit. See page 6.
- Submit evidence of vaccination against bacterial meningitis. See page 10.
- Take your Math Placement Exam and Foreign Language Placement Test, if applicable. See page 8.
- Begin checking your Texas A&M Gmail account as this is the university’s primary, and official, means of communicating with you. See below.
- Connect with us!

TEXAS A&M GMAIL

As a confirmed new student, you now have a Texas A&M Gmail account. Your email address is NetID@tamu.edu. Your NetID is the same ID you use to log in to Howdy and the Applicant Information System (AIS). You should start checking your Texas A&M Gmail account regularly because important information will be sent there prior to your New Student Conference.

To check your email, visit google.tamu.edu and log in with your NetID and password.

You can also set up Texas A&M Gmail on your smartphone so you won’t miss any important email! To learn how, visit hdc.tamu.edu/Connecting/Google_Apps/index.php.

If you have questions about your Texas A&M Gmail account or NetID, call the Texas A&M Information Technology Help Desk Central at (979) 845-8300 or visit IT.tamu.edu.
