The Texas A&M Engineering Academies are innovative pathways for students seeking to pursue a degree from the College of Engineering at Texas A&M University. The Academies will help meet the needs outlined by the 2012 President’s Council on Science and Technology recommendation for one million more STEM degrees by 2022 and the Texas Workforce Commission’s call for 62,000 more engineers by 2022. Students admitted to the Texas A&M Engineering Academy at Blinn – Bryan will be co-enrolled at Texas A&M and Blinn College – Bryan.

Students that choose to participate in the Texas A&M Engineering Academy at Blinn (EAB) – Bryan are entitled to:

• Earn Texas A&M engineering course credit by progressing in first-year engineering courses and continuing in sophomore level courses offered by the College of Engineering.
• An option to seek full admission to the College of Engineering prior to completion of the two-year program with a minimum cumulative grade point average (GPA) of 2.5 at both institutions as calculated by Texas A&M. In particular, students can apply for ‘entry to a major’ in a degree-granting program in the engineering college as early as their second semester.
• Participate in all student services, student activities, student organizations, etc., to the extent possible, at both institutions; however, participation in NCAA Division 1 sports is not allowed.
• Take courses with other Texas A&M EAB – Bryan students to help develop a community of engineering academic peers.

• Enroll in top quality courses offered by Blinn College with smaller student-faculty ratios, which provides many opportunities to interact with faculty.
• An economical pathway to Texas A&M. The total cost of tuition and fees for a Texas A&M EAB – Bryan student is less than the total cost of tuition and fees for a fully admitted Texas A&M student.
• Guaranteed admission to Texas A&M upon timely completion of all program requirements with a minimum cumulative GPA of 2.5 at both institutions, as calculated by Texas A&M. No admission application or fee is required.∗

∗ Texas A&M EAB – Bryan students who elect to apply to transfer to Texas A&M and who do not complete the program will be considered for admission on the same basis as all other transfer students. Application fees apply.

Welcome to the Fightin’ Texas Aggie Class of 2021!

Important Information Regarding Your Admission to the Texas A&M Engineering Academy at Blinn College – Bryan Campus

Register for a New Student Conference.

Accept your offer of admission to Texas A&M University by registering for a mandatory New Student Conference (NSC).

Using your NetID, sign in to howdy.tamu.edu, select the Applicant Tab and enter the Applicant Information System (AIS). Once in AIS, follow the instructions for registering for a conference. The conference fee is $100 and is nonrefundable. NSC Fees can be deferred if you used an application fee waiver for the Texas A&M application for admission. NSC fee deferral means the fee will be added to your tuition bill. You may choose this option online during NSC registration allowing you to register without making a payment.

If you DO NOT register for an NSC in AIS by the deadline we will assume you have declined your offer and cancel your admission. Please note, accepting your financial aid package or registering for on-campus housing does NOT mean that you have accepted your offer of admission. Those processes are independent from NSC Registration.

What Happens At Your NSC?

At your NSC you will learn how to take full advantage of all the academic programs, student services and extracurricular activities Texas A&M University has to offer. Your orientation process begins with your NSC, and it’s a critical component of your future success at Texas A&M. Over the course of your NSC you will participate in sessions and programs that have been designed to assist you with the transition to Texas A&M.

Can I bring guests to my NSC?

Yes, each adult, 18 and up, who wishes to attend must register online and pay the $25 conference charge. Registration for family members is a separate process from student registration. For more information and to register, please visit newaggie.tamu.edu/family-and-guests or contact New Student and Family Programs at NSFP@tamu.edu.

Family Member Registration Questions: 979.845.5826
How will I know if my NSC registration is complete?
After you complete the registration for your conference, an NSC Confirmation Page will appear on the screen, and an electronic notification will be sent to the email address you have provided during the process. If this does not happen, your conference registration did not go through and you will need to try again. There are times that the system will not complete the registration because the payment was not successful or the registration process timed out.

Make sure you see an NSC Confirmation Page in AIS and you receive electronic confirmation before you assume your registration was successful.

How do I reschedule my NSC?
You are allowed to change your NSC date at any time. There is a reschedule button in AIS on the My App Status Tab. Only conferences with available seats will be displayed. For conferences that are full, only medical or military appeals will be granted. Please note August conferences often conflict with student activities such as Fish Camp, Sorority Recruitment, and Freshman Orientation Week for the Corps of Cadets and appeals will not be granted.

Are there accommodations for students or guests with disabilities?
Yes, to arrange for disability accommodations during your NSC, contact Disability Services at 979.845.1637 or disability@tamu.edu.

Does the Corps of Cadets participate in all of the NSC dates?
Yes, if you are interested in the Corps, you and your family will have the option of attending the Corps orientation and registration on the first day of your NSC. Information about the Corps is available online at corps.tamu.edu.

Corps of Cadets Participation Questions: 800.TAMU.AGS

Track your Engineering Academy admission at Blinn College-Bryan.

Once you have accepted your admission by registering for an NSC at Texas A&M, Blinn College will secure your EAB admission on their campus as well. Please allow a couple of weeks for processing, after which you will receive an email with your Blinn College ID number at the address provided on your Texas A&M application for admission. More information about Texas A&M EAB-Bryan is available at tx.ag/EABbryan and blinn.edu/team.

Apply for On-Campus Housing.

Living on campus is more than just a place to lay your head at night. In addition to the convenience of walking to class, studies show that students living on campus are more likely to maintain a higher GPA, be involved and graduate on time.

Texas A&M has established priority housing so that all freshmen have the opportunity to live on campus. Admitted freshmen who apply for housing within 30 days of being admitted to the university will receive priority, while space is available. Those who apply for housing more than 30 days after being admitted will be considered for on-campus housing AFTER all other priority students have been placed. The sooner you apply, the better your opportunity to get your top choice. Housing is assigned on a first-come, first-served basis determined by each student’s housing application date.

Students can apply for housing at reslife.tamu.edu.

Housing Questions: 979.845.4744

Take the Math Placement Exam.

The Math Placement Exam (MPE) is a multiple-choice, online examination that helps your academic advisor determine which mathematics course you should take to ensure academic success in your major. This exam does not result in college credit. All students are required to take the MPE.

To take the MPE, sign on to howdy.tamu.edu and go to the Applicant Tab and follow the instructions. Use the online review material to help you prepare for the exam. Be prepared to spend the full 90 minutes taking the exam. If you experience any technical difficulties, please contact the Department of Mathematics at mathassessment@math.tamu.edu.

Math Placement Exam Questions: 979.845.7554
(Mathematics Department)

Submit Your Bacterial Meningitis Immunization Record at least Two Weeks Before Your NSC.

At least two weeks prior to your NSC, upload your evidence of bacterial meningitis vaccination. The immunization record may not be more than five years old. Notarized Affidavits to Decline Vaccination must be mailed to:
Office of Admissions
Texas A&M University
P.O. Box 30014
College Station, TX 77842-3014

All students under age 22 will need to provide current proof of vaccination against bacterial meningitis (an immunization given within 5 years of the date of intended enrollment) or meet certain requirements for declining such a vaccination. Declining the vaccination requires completing an original Texas Department of State Health Services Vaccine Exemption Affidavit form that can only be provided by the TDSHS office and takes a significant amount of time to obtain.

Newly admitted students who have not provided documentation will have a hold placed on their account. The hold will be removed once the appropriate immunization documentation has been provided to Texas A&M. This hold will prevent you from checking in to your NSC and registering for classes. It is imperative you fulfill this requirement prior to arriving at your NSC. For more information about this requirement, please visit admissions.tamu.edu/meningitis.
Complete the Texas Success Initiative Pre-Assessment Activity and the TSI Assessment Test.

Your TSI status will be noted on AIS. If you are not exempt, you must complete the mandatory Texas Success Initiative (TSI) Pre-Assessment Activity (PAA) and then take the TSI Assessment Test before attending an NSC. Non-exempt students will be blocked from registering for all classes during the NSC until the TSI PAA has been completed, the TSI Assessment Test has been taken and scores are on file at Texas A&M. If you have taken the TSI Assessment Test anywhere other than Texas A&M, please do not assume that your test scores have been sent here. You must order a transcript with your test scores and have it mailed to the Office of Admissions.

Texas Success Initiative Questions: 979.458.4900 or tx.ag/darsTSI

Purchase a device for the Bring Your Own Device (BYOD) requirement.

The College of Engineering requires students to purchase a computer to complement the course instruction. Additional details about the approved devices can be found at engineering.tamu.edu/easa/areas/academics/byod.

Determine if You Need to Take a Foreign Language Placement Test.

Students who intend to enroll in a college foreign language course and have no college credit in the language MUST take a placement test on the pre-conference day of their NSC to determine the appropriate course for their level of ability. Heritage language learners must also take the placement test, regardless of their scores on high school tests.

The foreign language placement test also serves as a basis for credit by examination. Second language learners who take the Advanced Placement (AP) Test, the College Board Achievement Test, the International Baccalaureate Test (IB) or the SAT II Subject Test in their foreign language of choice do not have to take the required foreign language placement tests, although it is highly recommended.

Spanish Language Placement Tests are administered by Hispanic Studies in the College of Liberal Arts. There is a $30 fee that is due at the time of registration. To register for this test, visit marketplace.tamu.edu. Select Hispanic Studies and then the appropriate language.

Spanish Placement Exam Questions: 979.458.0672

All other Language Placement Tests are administered by International Studies in the College of Liberal Arts. There is a $30 fee due at the time of registration. To register for this test, visit marketplace.tamu.edu. Select Department of International Studies and then the appropriate language.

Tests are administered on the Pre-Conference Day of the NSC along with credit by examination tests. Tests are also offered at various times during the fall and spring semesters. Students who do not take the placement test on the Pre-Conference Day will not be able to register for a foreign language course during their first semester. (Please note: Seats in language courses are limited. Taking the Language Placement Test does not guarantee the ability to register for a language course during your first semester.)

Language Placement Exam Questions: 979.845.5144

Send a Final High School Transcript with graduation date to Texas A&M and Blinn College when Available.

We know your final official high school transcript may not be available by the time you attend your conference. If it is not, plan to send it as soon as it is available. If we do not receive your final official transcript, you will not be able to register for subsequent semesters. Uploaded, faxed and emailed transcripts are NOT considered official final transcripts. Please submit your final transcript from your school via TREx—the electronic transcript service offered by the State of Texas, or you may mail your final transcripts to:

- Office of Admissions Texas A&M University
  P.O. Box 30014
  College Station TX 77842-3014.

- Blinn College, Bryan Office of Admissions
  P.O. Box 6030
  Bryan, TX 77805
GUARANTEED ADMISSION TO TEXAS A&M
Successful completion of Texas A&M EAB – Bryan guarantees full admission to Texas A&M but does not guarantee admission to a particular academic college or major. Texas A&M EAB – Bryan students who complete the program by the first summer term following their second year and have a minimum cumulative GPA of 2.5 at both institutions, as calculated by Texas A&M, will be automatically admitted to Texas A&M (Texas A&M application is not required) for the Fall 2019 term. Students who do not successfully complete the program requirements or gain transfer admission will not be able to continue their enrollment at Texas A&M after the second year, but may be eligible for admission as a returning student after the next fall semester (subject to current readmission criteria).

OPTIONAL EARLY ENTRY INTO ENGINEERING
An early matriculation option is available for Texas A&M EAB – Bryan students. Students must have completed the following by the end of the semester in which they apply: a minimum of two engineering courses, two science courses and two math courses required for their preferred major(s) and have earned a minimum 2.5 cumulative GPA at both institutions as calculated by Texas A&M. Students can apply as early as their second semester to seek full admission for the following fall/spring term. Texas A&M EAB – Bryan students will be required to complete the calculus sequence for their admitted major at Blinn College prior to the semester of full enrollment at Texas A&M. Students who complete the required coursework and earn a 3.5 GPA or higher at each institution are guaranteed entry to the first choice engineering major at the end of their first year. Additional details including requirements for automatic entry into a student’s first choice major are available at engineering.tamu.edu/academics/advisors-procedures/entry-to-a-major.

GRADE AND CREDIT REQUIREMENTS
Successful and timely completion of Texas A&M EAB – Bryan requires that participants have a minimum cumulative GPA of 2.5 on at least 45 hours of transferable work from Blinn College and a minimum cumulative GPA of 2.5 on at least 15 credit hours from Texas A&M and:
1. At least 12-15 credits taken at Texas A&M must be in three or four credit-hour courses that satisfy Texas A&M Core Curriculum or Degree requirements (exceptions include ENGR 111 and ENGR 112, which are two credit-hour courses); and
2. Courses taken at Blinn College must be appropriate for the student’s preferred major at Texas A&M. Other courses may not be counted toward meeting the minimum required hours; and
3. Any transferable credits earned through institutions other than Blinn College or Texas A&M prior to entry into the program will count toward the Blinn College Credit requirement only; grades received for these credits will not count toward the Blinn College GPA requirement. Once a student has entered the program, all credits must be earned at Texas A&M and Blinn College if they are to be used to satisfy program completion requirements. Any Credit by Examination received through Texas A&M before the start of the program will count toward the Blinn College credit requirement.

ENROLLMENT GUIDELINES
A Texas A&M EAB – Bryan student:
1. Must enroll in a minimum of 12 total credit hours each fall and spring semester. Three to five credit hours will be at Texas A&M (including one academic course), and the remainder will be at Blinn College. Exceptions to these guidelines will be approved only under extenuating circumstances.
2. Who successfully completes a minimum of 15 credit hours during the fall or spring semester will be allowed to enroll in six credit hours at Texas A&M the following semester.
3. May enroll in a total of six Texas A&M credit hours during the summer and a total of six Blinn College credit hours per summer term. Exceptions to these guidelines will be approved only under extenuating circumstances.
4. Who drops or withdraws from his/her Texas A&M course(s) and falls below one credit hour will be withdrawn from Texas A&M for that semester. Unless otherwise prohibited, this student may continue in the program the subsequent semester.
5. Must plan his/her course schedule to ensure completion of the program in a timely manner, as required under the ‘Timely Completion’ section in these Terms and Conditions.
6. Students who choose to leave the Engineering Academy at Blinn – Bryan may request to change to the Texas A&M TEAM program (blinnteam.tamu.edu), provided they are in satisfactory academic standing.

GPA CALCULATION
A GPA will be calculated at each institution based on the courses taken by the student at that institution. Grades for all courses are to be used in the computation of the GPA at the respective institutions, including the following: failing grades, repeated courses, incompletes, etc. Grades reported as ‘incomplete’ are computed as Fs until the ‘incomplete’ is replaced with a grade.

TIMELY COMPLETION
Students participating in the Texas A&M EAB – Bryan must satisfactorily complete the program requirements within a period that begins with the fall semester of the year of admission to the program, and ends with the completion of the first summer session following the second year of enrollment in the program. Students must make appropriate progress on passed hours and GPA to remain in the program.

REMOVAL FROM TEXAS A&M EAB – BRYAN
A Texas A&M EAB – Bryan student removed from the program for either academic or disciplinary reasons will not be permitted continued enrollment in the program; continued enrollment at Blinn College will be at the discretion of Blinn College officials.

TUITION AND FEES
The payment of fees made to each institution must meet the respective institution’s deadline.
CONGRATULATIONS
ON YOUR ADMISSION TO
TEXAS A&M UNIVERSITY!

WE ARE SO HAPPY TO HAVE YOU JOIN OUR
AGGIE FAMILY.

The checklists on this page will help you prepare for your first year at both Texas A&M and Blinn College. Note: Some items must be provided/completed at both campuses.

FOR TEXAS A&M UNIVERSITY
- Register for a New Student Conference (NSC) in AIS before completing anything else. applicant.tamu.edu
- Complete NSC Family and Guest Registration.
- Apply for Fall/Spring on-campus housing. reslife.tamu.edu
- Apply for financial aid (FAFSA). financialaid.tamu.edu/undergraduate/apply-for-aid
- Log in to your Texas A&M email account with your NetID and password at google.tamu.edu.
- Submit your photo for your Aggie ID Card at myaggiecard.tamu.edu/AggieCard/Photo.
- Upload your proof of bacterial meningitis vaccination in AIS.
- Select a Tuition Rate Code in Howdy at howdy.tamu.edu on My Finances Tab.
- Verify residency in AIS.
- Fulfill the Texas Success Initiative (TSI) requirement at tx.ag/darsTSI (if applicable).
- Check the Howdy Portal for any Texas A&M University holds.
- Complete the Texas A&M Math Placement Exam at howdy.tamu.edu, Applicant Tab by...
- Complete the Lab Safety Acknowledgment at howdy.tamu.edu.
- Complete Foreign Language Placement Tests (if applicable).
- Send your final official high school transcript via TREx or mail when it is available.
- Send your AP/IB scores to qualify for and claim college credit (if applicable).
- Send your official college transcript(s) (if applicable).

Learn more about:
- short-term and emergency tuition and fees loans at sbs.tamu.edu/loans.
- student employment at jobsforaggies.tamu.edu.
- credit by examination at dars.tamu.edu/testing.
- services for students with disabilities at disability.tamu.edu.
- recommended immunizations at shs.tamu.edu/immunizations.
- health insurance at shs.tamu.edu/insurance.
- extended orientation programs like Fish Camp at fishcamp.tamu.edu.

FOR BLINN COLLEGE
- Log in to your Blinn College email account with your Blinn College username and password. Your username and password will be emailed to your personal email account provided on the ApplyTexas application and will be sent after you register for a New Student Conference (NSC) at Texas A&M.
- Complete Online Orientation at my.blinn.edu.
- Fulfill the Texas Success Initiative (TSI) requirement. blinn.edu/admissions/success_initiative.html
- Send your proof of vaccination against bacterial meningitis. blinn.edu/immunization.html.
- Send your official current (not final) copy of your high school transcript.
- Send your final official high school transcript via TREx or mail when it is available.
- Send your official current (not final) college transcript(s) (if applicable).
- Send your official final college transcripts (if applicable).
- Pay your tuition bill by the Blinn College deadline at my.blinn.edu.
- Add admissions@blinn.edu to your email contact list to ensure you receive all official Blinn College communications.

Learn more about:
- services for students with disabilities at blinn.edu/disability.
- Frequently Asked Questions at blinn.edu/team.
- the Blinn College Academic Calendar at calendar.blinn.edu.
Texas A&M University has a strong institutional commitment to the principle of diversity in all areas. In that spirit, admission to Texas A&M University and any of its sponsored programs is open to all qualified individuals. Texas A&M University does not discriminate on the basis of an individual’s disability and complies with Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act (ADA) in its admissions, accessibility, treatment and employment of students in its programs and activities.

Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (Clery Act)
In compliance with federal law, the following information is maintained and available through the Clery Annual Reports web page on the Texas A&M University Risk and Compliance website. The Texas A&M University Annual Security Reports and Annual Fire Safety Reports are available and include information on campus safety and security policies and statistics. Policies include: reporting crimes and emergencies, security resources, crime awareness and prevention, security of campus facilities and residence halls, alcohol and drug policies, and fire safety systems for on-campus student housing facilities.

Texas A&M University has a strong institutional commitment to the principle of diversity in all areas. In that spirit, admission to Texas A&M University and any of its sponsored programs is open to all qualified individuals. Texas A&M University does not discriminate on the basis of an individual’s disability and complies with Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act (ADA) in its admissions, accessibility, treatment and employment of students in its programs and activities.

APPLICANT INFORMATION SYSTEM AND THE HOWDY WEB PORTAL
The Applicant Information System (AIS) has been created to take you through the admissions process, from application to admission decision and accepting your offer. Howdy is a “one-stop shop” for your student information and university resources. Howdy provides helpful information, such as guidance in applying for financial aid, locating housing, class registration information, payment deadlines and more. Check Howdy regularly for important announcements, news and event information at howdy.tamu.edu.

Howdy Portal Questions/Problems: 979.845.8300

ACTIVATE YOUR TEXAS A&M EMAIL ACCOUNT
Once you have registered for your NSC, a Texas A&M email account is available for you. Your email address will be your NETID@tamu.edu. This email address will be used for all official school correspondence. It is important to activate this account and check it regularly. Activate your account at google.tamu.edu.

APPLY FOR FINANCIAL AID
Texas A&M University offers many financial aid options to help you pay for college costs. Scholarships & Financial Aid can assist you with applying for assistance, understanding costs, and learning about types of aid. financialaid.tamu.edu

In order to be eligible for financial assistance, you must first submit a Free Application for Federal Student Aid (FAFSA) at fafsa.ed.gov. The FAFSA is used to award grants, loans and work-study programs. There is no cost to submit the FAFSA, and it must be renewed every year. Fall admits should complete the 2017–2018 FAFSA by March 15, 2017. The FAFSA school code for Texas A&M University is 003632. Once we have received your information, you will be able to check your status and your financial aid options at howdy.tamu.edu. Click on the ‘My Finances’ Tab, and enter the Scholarships & Financial Aid Portal.

International students may qualify for financial aid depending on their visa status. These awards are designed to supplement your other financial resources, permitting our limited funds to assist the largest number of students. More information can be found at financialaid.tamu.edu/international.

Veterans, or dependents of veterans, who plan to utilize military benefits should contact Veteran Services. For information, visit veterans.tamu.edu.

Financial Aid Questions: 979.845.3236

INCOMING FRESHMAN SCHOLARSHIPS
Scholarships & Financial Aid offers academic scholarships for incoming freshmen. Students apply for university-level scholarships by submitting the scholarship module along with the Admissions Application.

In the scholarship competition, a student’s test score is only one of many components considered in the review process. Consideration is given to academic achievement in a college preparatory curriculum within the context of a student’s academic environment. Additional factors for selection include, but are not limited to, leadership, community service, special talents, first-generation (neither biological nor stepparent has a bachelor’s degree) college status and academic achievement under difficult circumstances. Some scholarships also have a financial need component. For information, visit scholarships.tamu.edu.

ACADEMIC CALENDARS
Texas A&M and Blinn College create Academic Calendars that provide important dates specific to their individual institutions. Therefore, dates such as the day classes start, may vary between the two institutions.

ACTIVATE YOUR TEXAS A&M EMAIL ACCOUNT
Once you have registered for your NSC, a Texas A&M email account is available for you. Your email address will be your NETID@tamu.edu. This email address will be used for all official school correspondence. It is important to activate this account and check it regularly. Activate your account at google.tamu.edu.
