Welcome to Aggieland!

Now that you’re admitted to Texas A&M, here are your next steps:
Accept your offer of admission to Texas A&M University by registering for a mandatory New Student Conference (NSC).

Using your NetID, sign in to howdy.tamu.edu, select the Applicant Tab and enter the Applicant Information System (AIS). Once in AIS, follow the instructions for registering for a conference. The conference fee is $100 and is nonrefundable. NSC Fees can be deferred if you used an application fee waiver for the Texas A&M application for admission. NSC fee deferral means the fee will be added to your tuition bill. You may choose this option online during NSC registration allowing you to register without making a payment.

SPRING ADMITS
Your two-day conference will be held in early January.

SUMMER AND FALL ADMITS
NSC dates have been set for late May-August.
- Summer admits planning to enroll in the Summer One term should register for the first May NSC date—if this date is full, please submit an NSC appeal in AIS so that we may review your file.
- For transfer students who wish to have a conference that involves a more extensive orientation experience, the freshman and transfer hybrid conference held June 29-30 is a good option.

If you DO NOT register for an NSC by the deadline we will assume that you have declined your offer of admission and cancel it. Please note, accepting your financial aid package or registering for on-campus housing does NOT mean that you have accepted your offer of admission. Those processes are independent from NSC Registration.

For more information, contact Aggieland Customer Service at 979.845.1060.

FAQs
To accept your offer of admission, you must register for a New Student Conference (NSC).

WHAT HAPPENS AT YOUR NSC?
At your NSC you will learn how to take full advantage of all the academic programs, student services and extracurricular activities Texas A&M University has to offer. Your orientation process begins with your NSC, and it’s a critical component of your future success at Texas A&M. Over the course of your NSC you will participate in sessions and programs that have been designed to assist you with the transition to Texas A&M.

CAN I BRING GUESTS TO MY NSC?
Yes, each adult, 18 and up, who wishes to attend must register online and pay the $25 conference charge. Registration for family members is a separate process from student registration. For more information and to register, please visit newaggie.tamu.edu/family-and-guests or contact New Student and Family Programs at NSFP@tamu.edu.

HOW WILL I KNOW IF MY NSC REGISTRATION IS COMPLETE?
After you complete registration for your conference, an NSC Confirmation Page will appear on the screen, and an electronic notification will be sent to the email address you have provided during the process. If this does not happen, your conference registration did not go through and you will need to try again. There are times that the system will not complete registration because the payment was not successful or the registration process timed out. Make sure you see an NSC Confirmation Page in AIS and you receive electronic confirmation before you assume your registration was successful.

HOW DO I RESCHEDULE MY NSC?
You are allowed to change your NSC date at any time. There is a reschedule button in AIS on the My App Status Tab. Only conferences with available seats will be displayed. For conferences that are full, only medical or military appeals will be granted.

IS IT TOO LATE TO CHANGE MY MAJOR?
Yes, transfer students are admitted to a specific degree program. Changes of major across colleges will not be considered for at least one full semester. You will be limited to the degree plan to which you have been admitted when registering for courses at your conference.

ARE THERE ACCOMMODATIONS FOR STUDENTS OR GUESTS WITH DISABILITIES?
Yes, to arrange for disability accommodations during your NSC, contact Disability Services at 979.845.1637 or disability@tamu.edu.

DOES THE CORPS OF CADETS PARTICIPATE IN ALL OF THE NSC DATES?
Yes, if you are interested in the Corps, you and your family will have the option of attending the Corps orientation and registration on the first day of your NSC. Information about the Corps is available online at corps.tamu.edu.

2017 NEW STUDENT CONFERENCE DATES

| January 10-11 | July 6-7 |
| January 11-12* | July 13-14 |
| May 24-25 | August 17-18 |
| June 29-30* |

*Conference is a hybrid conference, including freshman and transfer students.
2 SELECT A TUITION RATE CODE.

Students will be offered a choice between a variable rate tuition plan or a locked-rate (fixed) tuition plan, allowing them and their parents to better plan and budget for college expenses. You will need to select the best option for you prior to registration. See below for rate differences to begin your planning.

Variable rate plan: Tuition and fees may fluctuate each academic year (fall through summer), using the Higher Education Price Index.

Locked-rate (fixed) plan: Tuition and fees are locked into a per semester rate for 12 consecutive semesters, or 4 years, from the point of initial enrollment after high school at a public or private institution. Those paying non-resident tuition will be billed the state mandated non-resident rate, but other required fees will remain locked. (Does not apply to Nursing and Dental Hygiene)

It is presumed that students will enroll in 30 hours an academic year for 4 years allowing completion of most degree plans. Some majors such as engineering and architecture are offered 1-2 additional semesters at the locked rate.

All transfer students are offered a tuition rate code based on their first term of enrollment after high school. Students who choose this rate code will have the remaining time in their four years to complete their degree, or they can elect to move to the current year’s rate code. Moving to the current rate code will allow four more years to complete a degree, but it will be at a higher rate of required tuition and fees.

Select your rate code via the Howdy Portal, howdy.tamu.edu, select the My Finances Tab and follow the instructions. The choice will be offered prior to your first semester of enrollment and cannot be changed in future semesters.

Texas A&M University meets requirements of the Texas Education Code, Section 54.017 regarding fixed tuition for undergraduate students.

3 SUBMIT YOUR BACTERIAL MENINGITIS IMMUNIZATION RECORD.

At least two weeks prior to your NSC, upload your evidence of bacterial meningitis vaccination. The immunization record may not be more than five years old. Notarized Affidavits to Decline Vaccination must be mailed to: Office of Admissions Texas A&M University P.O. Box 30014 College Station, TX 77842-3014.

All students under age 22 will need to provide current proof of vaccination against bacterial meningitis (an immunization given within 5 years of the date of intended enrollment) or meet certain requirements for declining such a vaccination. Declining the vaccination requires completing an original Texas Department of State Health Services Vaccine Exemption Affidavit form that can only be provided by the TDSHS office and takes a significant amount of time to obtain.

Newly admitted students who have not provided documentation will have a hold placed on their account. The hold will be removed once the appropriate immunization documentation has been provided to Texas A&M. This hold will prevent you from checking in to your NSC and registering for classes. It is imperative you fulfill this requirement prior to arriving at your NSC. For more information about this requirement, please visit admissions.tamu.edu/meningitis.

4 SEND A FINAL HIGH SCHOOL TRANSCRIPT WITH GRADUATION DATE.

Students are required to provide an official high school transcript as proof of graduation. The transcript should include the date of graduation and the diploma type if applicable. If we do not receive your final official transcript, you will not be able to register for classes in following semesters. Uploaded, faxed and emailed transcripts are NOT considered ‘official’ final transcripts. Please ask your high school to submit your transcript via TREx—the electronic transcript service offered by the State of Texas. Otherwise, you may mail transcripts to: Office of Admissions Texas A&M University P.O. Box 40003 College Station, TX 77842-4003.
DETERMINE IF YOU NEED TO TAKE THE MATH PLACEMENT EXAM OR A FOREIGN LANGUAGE PLACEMENT TEST.

MATH PLACEMENT EXAM
The Math Placement Exam (MPE) is a multiple-choice, online examination that helps your academic advisor determine which mathematics course you should take to ensure academic success in your major. This exam does not result in college credit.

You do not have to take this exam unless you are planning to take MATH 147/151/171 at Texas A&M. A prerequisite restriction will prevent you from enrolling in these courses unless you have credit for MATH 150 at Texas A&M University or a qualifying grade on the MPE. If you have taken a pre-calculus course at another institution that may be equivalent to Math 150, you should check with your Texas A&M advisor to determine if you must take the MPE before enrolling.

To take the MPE, sign on to howdy.tamu.edu and go to the Applicant Tab and follow the instructions. Online review material is available to help you prepare for the exam. Be prepared to spend the full 90 minutes taking the exam. If you experience any technical difficulties, please contact the Department of Mathematics at mathassessment@math.tamu.edu. Math Placement Exam Questions: 979.845.7554 (Mathematics Department)

FOREIGN LANGUAGE PLACEMENT TEST
Students who intend to enroll in a college foreign language course and have no college credit in the language MUST take a placement test on the pre-conference day of their NSC to determine the appropriate course for their level of ability. Heritage language learners must also take the placement test, regardless of their scores on high school tests. The foreign language placement test also serves as a basis for credit by examination.

Second language learners who take the Advanced Placement (AP) Test, the College Board Achievement Test, the International Baccalaureate Test (IB) or the SAT II Subject Test in their foreign language of choice do not have to take the required foreign language placement tests, although it is highly recommended.

Spanish Language Placement Tests are administered by Hispanic Studies in the College of Liberal Arts. There is a $30 fee that is due at the time of registration. To register for this test, visit marketplace.tamu.edu. Select Hispanic Studies and then the appropriate language. Spanish Placement Exam Questions: 979.458.0672

All other Language Placement Tests are administered by International Studies in the College of Liberal Arts. There is a $30 fee due at the time of registration. To register for this test, visit marketplace.tamu.edu. Select Department of International Studies and then the appropriate language. Tests are administered on the Pre-Conference Day of the NSC along with credit by examination tests. Tests are also offered at various times during the fall and spring semesters. Students who do not take the placement test on the Pre-Conference Day will not be able to register for a foreign language course during their first semester. (Please note: Seats in language courses are limited. Taking the Language Placement Test does not guarantee the ability to register for a language course during your first semester.)

Language Placement Exam Questions: 979.845.5144
TEXAS A&M IS TRANSFER FRIENDLY

AGGIE TRANSITION CAMPS

“A Transfer’s First Tradition,” Aggie Transition Camps assist new students in their transition into the Aggie Family. Participants will learn about Texas A&M’s history and traditions and meet other incoming students. Speakers and special interest groups discuss activities and opportunities available to them at Texas A&M and in the community. atc.tamu.edu
ADDITIONAL STEPS FOR INTERNATIONAL STUDENTS

FULFILL ENGLISH PROFICIENCY REQUIREMENTS.

Texas A&M requires all admitted students from non-English speaking countries to demonstrate their ability to speak, write and understand the English language. Please be aware English Language Proficiency (ELP) requirements for enrollment are different from admissions requirements.

To demonstrate your ability, you must fulfill one of the following:

• Submit an official Test of English as a Foreign Language (TOEFL) score of 100 iBT, 600 pBT or higher or an International English Language Testing System (IELTS) score of at least 7.0 overall band or a PTE Academic Score of 68.

• Submit an official score of at least 21 on the ACT English, or an SAT Critical Reading score of at least 500 (test date prior to March 2016) or 560 on SAT Evidence Based Reading and Writing (test date after March 2016).

The Certificate of Eligibility Center (CEC) in the Office of International Student Services (ISS) will issue the appropriate documentation needed to apply for a visa after you complete and submit several forms to their office. Important information about your arrival, including these forms, CEC contact information and an online immigration document tracking process, can be accessed at tx.ag/ISSadmitted.

COMPLETE THE MANDATORY ONLINE ORIENTATION

You are required to complete the mandatory online orientation before arriving at Texas A&M University. The online orientation can be accessed at tx.ag/ISSorientation. Upon arrival, you must attend the mandatory ISS Check-In. You will not be able to schedule your Check-In appointment until you complete the online orientation. During Check-In, you may have the opportunity to meet with several offices to remove your registration holds. You may need to meet with the Office of Admissions during or after your ISS Check-In if the following services are needed:

• resolve transfer credit or other admission issues, or

• fix a discrepancy in the spelling of your name.

If you do not meet one of the listed conditions, you must take the English Language Proficiency Examination (ELPE) upon arrival. The ELPE evaluates English grammar, writing, vocabulary, reading, listening and speaking skills. A score of at least 70 is required on each ELPE area to meet...

OBTAIN APPROPRIATE IMMIGRATION DOCUMENTS.

You are highly encouraged to attend the one-day, on-campus International Student Conference (ISC) specifically developed for international students. Note: The ISC is different from the mandatory New Student Conference (NSC) that transfer students are required to attend. For information concerning online orientation, the dates of Check-In and/or the ISC, please visit iss.tamu.edu.

HEALTH INSURANCE

International students are automatically enrolled in and charged for comprehensive health insurance and repatriation/evacuation coverage while in the U.S. and enrolled at Texas A&M University. For more information on International Student Health Insurance, visit tx.ag/ISSinsurance.

PRE-ENROLLMENT CHECKLISTS

The checklists on this page will help you prepare for your first year. Items are in chronological order and are required for successful enrollment.

DOMESTIC TRANSFER STUDENTS

- Register for a New Student Conference (NSC) in AIS before completing anything else. applicant.tamu.edu
- Complete NSC Family and Guest Registration
- Apply for Fall/Spring on-campus housing. reslife.tamu.edu
- Apply for financial aid (FAFSA) by priority deadline. financialaid.tamu.edu
- Apply for scholarships – deadlines match application deadlines
- Log in to your Texas A&M email account with your NetID and password at google.tamu.edu
- Select a Tuition Rate Code in Howdy at howdy.tamu.edu, My Finances Tab
- Submit your photo for your Aggie ID Card at myaggiecard.tamu.edu/AggieCard/Photo
- Upload your proof of bacterial meningitis vaccination in AIS
- Verify residency in AIS
- Fulfill the Texas Success Initiative (TSI) requirement at tx.ag/darsTSI (if applicable)
- Complete the Texas A&M Math Placement Exam at howdy.tamu.edu, (if applicable) Applicant Tab
- Complete the Lab Safety Acknowledgment at howdy.tamu.edu
- Complete Foreign Language Placement Tests (if applicable)
- Send your final official high school transcript via TREx or mail
- Send your official college transcript(s) via SPEEDE or mail

INTERNATIONAL TRANSFER STUDENTS

- Learn about international student visa information
- Complete the International Student Services (ISS) Online Orientation
- Schedule your ISS Check-In Appointment
- Submit the required paperwork to ISS
- Review the university policy requiring all international students to maintain health insurance tx.ag/ISShealthinsurance
- Review English Language Proficiency (ELP) Information
- Learn about other immunization recommendations at shs.tamu.edu/TB

Learn more about:
- the International Student Conference (ISC) at iss.tamu.edu/events/isc
- short-term and emergency tuition and fees loans at sbs.tamu.edu/loans
- regulations concerning student employment at tx.ag/ISSemployment
- credit by examination at dars.tamu.edu/testing
- services for students with disabilities at disability.tamu.edu
GENERAL INFORMATION
APPlicant information system and the howdy web portal
The Applicant Information System (AIS) has been created to take you through the admissions process, from application to admission decision and accepting your offer. Howdy is a “one-stop shop” for your student information and university resources. Howdy provides helpful information, such as guidance in applying for financial aid, locating housing, class registration information, payment deadlines and more. Check Howdy regularly for important announcements, news and event information at howdy.tamu.edu.

Howdy Portal Questions/Problems: 979.845.8300

activate your Texas A&M email account
Once you have registered for your NSC, a Texas A&M email account is available for you. Your email address will be your NETID@tamu.edu. This email address will be used for all official school correspondence. It is important to activate this account and check it regularly. Activate your account at google.tamu.edu.

apply for financial aid
Texas A&M University offers many financial aid options to help you pay for college costs. Scholarships & Financial Aid can assist you with applying for assistance, understanding costs, and learning about types of aid. financialaid.tamu.edu

In order to be eligible for financial assistance, you must first submit a Free Application for Federal Student Aid (FAFSA) at fafsa.ed.gov. The FAFSA is available October 1. The FAFSA is used to award grants, loans and work-study programs. There is no cost to submit the FAFSA, and it must be renewed every year. Summer and spring 2017 admits should complete the 2016-2017 FAFSA. Fall admits should complete the 2017–2018 FAFSA. The FAFSA school code for Texas A&M University is 003632. Once we have received your information, you will be able to check your status and your financial aid options at howdy.tamu.edu. Click on the ‘My Finances’ Tab, and enter the Scholarships & Financial Aid Portal.

International students may qualify for financial aid depending on their visa status. These awards are designed to supplement your other financial resources, permitting our limited funds to assist the largest number of students. More information can be found at financialaid.tamu.edu/international.

Veterans, or dependents of veterans, who plan to utilize military benefits should contact Veteran Services. For information, visit veterans.tamu.edu.

Financial Aid Questions: 979.845.3236

Aggie Transfer Scholarship
The Aggie Transfer Scholarship is designed to recognize outstanding students who will be transferring to Texas A&M. The annual awards range from $500-$3,000. Students must have completed at least 24 hours at their previous institution. Selection criteria for the Aggie Transfer Scholarship include, but are not limited to, academic achievement, extracurricular activities, leadership, major and in some instances, financial need as determined by the Free Application for Federal Student Aid (FAFSA). Students may apply using the Apply Texas Transfer Application. For more information about scholarships offered for transfer students, visit scholarships.tamu.edu/transfer/available-scholarships.

Texas A&M University has a strong institutional commitment to the principle of diversity in all areas. In that spirit, admission to Texas A&M University and any of its sponsored programs is open to all qualified individuals. Texas A&M University does not discriminate on the basis of an individual’s disability and complies with Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act (ADA) in its admissions, accessibility, treatment and employment of students in its programs and activities.

Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (Clery Act): Information regarding campus security and safety resources, policies, and procedures for safety (reporting crimes and emergencies, crime awareness and prevention, and security of campus facilities and residence halls), alcohol, drugs, weapons and sexual assault, and crime information is on the websites upd.tamu.edu and ed.gov/admins/lead/safety/campus.html.
