Transfer Handbook

Are you ready for your New Student Conference (NSC)?

Students are expected to come to the NSC prepared. We encourage you to tear out this page to remind you of what you need to do before your NSC. Below your New Student Conference, be sure to:

❑ Make your NSC overnight accommodations. See page 5 in this book for details.
❑ Register any family members or guests who are attending the NSC with you. See page 16 and insert.
❑ Purchase an NSC parking permit. See page 6.
❑ Submit evidence of vaccination against bacterial meningitis. See page 7.
❑ Take your Math Placement Exam, Foreign Language Placement Test and/or Texas Success Initiative Assessment. See pages 7–8.
❑ Complete required online orientation via the Howdy Portal. See page 7.
❑ Complete the Lab Safety Acknowledgment via the Howdy Portal. See page 8.
❑ Begin checking your Texas A&M Gmail account. See page 17.
❑ Download the TAMU Mobile App in the App Store and Google Play.

Connect with us!

@NSFPtamu
New_Aggie

Download the TAMU Mobile App
Download the free TAMU Mobile App available on the App Store and Google Play. It has everything you need for your NSC: schedule, checklists, event information and more.
Welcome to the Aggie Family! The next few years promise to be exciting ones for you. Texas A&M will connect you with students, faculty and staff from varied backgrounds, diverse cultures and unique experiences. Your time at Texas A&M will be spent in the pursuit of knowledge and the engagement of lifelong learning.

This New Student Conference Handbook was developed to help you make the most of your mandatory New Student Conference (NSC). Please take time to read through this and any other materials you receive from the university. These materials are valuable resources you can use throughout your first year at Texas A&M University.

As a transfer student, you bring valuable college and life experiences to our community. Whether you are transferring from a community college or a four-year institution, we know you’re not new to college but are new to Texas A&M. Because of that, we’ve designed a New Student Conference with knowledge specific to joining the Aggie Family.

During your New Student Conference, you can expect to:
- Gain awareness of the university’s academic requirements, policies and procedures — including course selection and registration.
- Develop an awareness of information concerning personal safety and security on campus.
- Discover the broad range of student involvement and leadership opportunities on campus.
- Learn about the university’s offerings related to housing, dining, transportation, financial assistance, academic support and career guidance.
- Connect with current students to gain understanding of university expectations and ask questions.

Students are encouraged to share this publication with their family members and/or acquaintances. The minor packet of this booklet has a publication catered to individuals supporting students through their academic pursuits. While the New Student Conference is only mandatory for students, we invite family members and guests to attend and participate in sessions designed for them. Registration for family members and guests is required and separate from the student registration process. Further details about registration and conference programs for family members are located inside.
Texas A&M University provides equal opportunity to all employees, students, applicants for employment or admission, and the public regardless of race, color, sex, religion, national origin, age, disability, genetic information, veteran status, sexual orientation, or gender identity. Texas A&M University will promptly investigate all complaints of illegal discrimination, sexual harassment, and related retaliation in accordance with applicable federal and state laws.

The New Student Conference is a great time to meet other members of your class, learn more about Aggie traditions, participate in social programs, and interact with conference staff and Orientation Leaders. During your NSC, take advantage of the opportunity to gain valuable advice and get your questions answered as you start your journey at Texas A&M.
CONFERENCE PREPARATIONS

Overnight Accommodations

Both days of the New Student Conference are mandatory; therefore, you will need overnight accommodations for at least one night. Costs for housing are NOT included in the student or family member registration fee, and arrangements must be made separately. You may choose to stay on campus or off campus during your NSC.

On-Campus Accommodations (May, June & July Conferences only)

The Department of Residence Life invites you, family members, and guests to stay in New Student Conference (NSC) Overnight Accommodations. Our housing is an affordable option for any traveling students and families in need of a place to stay during their conference.

NSC Overnight Accommodations offers two options for students, families, and guests: residence halls and apartments. Both options tend to fill quickly and are available on a first-come, first-served basis. Residence hall/apartment rates, registration, and more details for NSC Overnight Accommodations are online at reslife.tamu.edu/guests/nsc/. NSC Overnight Accommodations costs will be billed to the student’s account after the student and their family have checked out of their NSC Overnight Accommodations.

Students and families staying in NSC Overnight Accommodations may check in during the following times:

**Pre-Conference Day:** 1:30 p.m. - 5 p.m. at the Zone Club
5:00 p.m. - 8:00 p.m. at residence halls/apartments

**Conference Day 1:**
8:00 a.m. - 2:00 p.m. at the Zone Club
5:00 p.m. - 8:00 p.m. at residence halls/apartments

Options for parking with a valid NSC parking permit near NSC Overnight Accommodations are available at reslife.tamu.edu/wp-content/uploads/NSC_Map.pdf.

Please bring items such as a cell phone, mattress pads, alarm clocks, blankets and pillows to use during your stay. Bed linens and towels are provided, but you may want to bring your own items to make your stay more comfortable. Each room has two twin beds in the residence halls. Apartment rooms are all single full size beds. Roll-away beds or cribs are not available.

NSC Overnight Accommodations are NOT available for the August conference.

Off-Campus Accommodations

For accommodations in Bryan/College Station, please contact the Bryan/College Station Convention and Visitors Bureau at (979) 260-9898 or experiencebcs.com for information on area hotels and motels. If you are staying off campus, you will need to provide your own transportation.
New Student Conference Parking

Please read all information before purchasing a parking permit for your New Student Conference.

ALL vehicles must display a valid Texas A&M University parking permit when parked on university property (other than visitor parking areas that are available at an hourly rate). Attendees should select the option below that best meets their needs.

OPTION 1a: Purchase a New Student Conference Surface Lot Permit
The NSC Surface Lot Permit allow attendees to park in the following lots: 30, 40, 43, 50, 61, 71, 88, 100, 122, West Campus Garage and Southside Garage. The NSC Surface Lot Permit is $15 and only valid for the dates selected during the purchase process.

OPTION 1b: Purchase a New Student Conference Cain Garage Permit
The NSC Cain Garage Permit allows attendees to park in the following lots: 30, 40, 43, 50, 61, 71, 88, 100, 122, West Campus Garage, Southside Garage and Cain Garage. The newly constructed Cain Garage is located across the street from NSC check in and the Memorial Student Center offering the closest parking to all NSC activities. The NSC Cain Garage permit is $30, only valid for the dates selected during the purchase process and is recommended for individuals being housed in White Creek Apartments for their New Student Conference. Attendees purchasing the above permits must print the permit after purchase and display it on the dashboard at all times while parked on campus. When parking in West Campus Garage or Cain Garage, you must scan the barcode on your permit at entry and exit gates.

OPTION 2: Pay to Park in a Garage or Visitor Parking Area
If attendees do not wish to purchase one of the above NSC permits, they can pay hourly parking rates in Cain Garage, University Center Garage, Central Campus Garage, Northside Garage, West Campus Garage, or lots 24, 30, 51, 61, 72, 74, 88, 97 or 122. Payment for surface lots and Northside Garage is required upon arrival, and payment for other garages is required upon exit. Parking maps are available online at transport.tamu.edu/VISmap.

OPTION 3: Use Your Fall 2017 Permit (August NSC Attendees Only)
August NSC attendees who have ordered and received their Fall 2017 permit may display it and park in their assigned lot. All others must purchase a $20 Weekly Visitor permit and park in one of the Any Valid Permit areas shown on the map at transport.tamu.edu/AVPmap.

Transportation Services
(979) 862-PARK (7275)
transport.tamu.edu/nsc
Bacterial Meningitis Documentation

All students under age 22 entering an institution of higher education are required to provide current proof of vaccination against bacterial meningitis (an immunization given within five years of the date of intended enrollment) or meet certain requirements for declining such a vaccination. Newly admitted students who have not provided documentation of vaccination have a meningitis deficiency hold placed on their account. The hold will be removed once the appropriate immunization documentation has been provided to Texas A&M. The meningitis deficiency hold will prevent you from checking in to your New Student Conference and registering for classes, so it is imperative you submit documentation at least two weeks prior to your NSC.

The law further states that students must receive the vaccination no later than 10 days before the first day of the semester in which the student enrolls. Therefore, all new students enrolling for the fall 2017 semester must receive the vaccination by August 16 or before your conference (whichever date is earlier). For students attending the August 17-18 conference, you are strongly encouraged to submit your Evidence of Vaccination by July 7 so that you can be preregistered for your classes by your academic advisor.

Upload your proof of vaccination through AIS (applicant.tamu.edu) by choosing the link under the “Upload Supporting Documents” section. You will be able to view receipt of your immunization document on AIS under the Documents tab within the next 24 hours. Please allow a few days for Office of Admissions staff to complete processing on your immunization document.

To determine if you have satisfied the evidence of vaccination requirement for bacterial meningitis, go to the AIS website and ensure that a check mark is present on the bacterial meningitis checklist item found under the “Documents Required prior to Enrollment/Registration” section.

If you arrive at your New Student Conference and have not yet fulfilled this requirement, you will not be able to check in and must take care of your immunization requirement immediately. For more information including where to send your documentation, visit admissions.tamu.edu/meningitis/.

For students enrolling in courses summer 2017, you need to submit your meningitis documentation by the following deadlines:
- Summer Session I: May 19
- Summer Session II: June 24

Lab Safety Acknowledgment

Some courses require students to submit a Lab Safety Acknowledgment (LSA) before registration is permitted. All New Student Conference attendees must submit the LSA prior to their NSC to ensure registration access.

If you need assistance, please contact the Office of the Registrar at (979) 845-7117.

Math Placement Exam

If you have completed the math courses needed for your degree at Texas A&M, then you do not need to take the Math Placement Exam (MPE).

If you still need to take the required math course for your degree at Texas A&M, then you are required to take the MPE. If you have taken a precalculus course equivalent to MATH 150 (TCCNS 2412) at another institution, your Texas A&M advisor might be able to substitute that course for MATH 150; otherwise, you will have to take the MPE.

How to access the MPE: The MPE is taken online. To take the MPE, log into howdy.tamu.edu and go to the “Applicant Tab” and follow the instructions for the Math Placement Exam. Use the online review material available at math.tamu.edu/placement/ to help you prepare for the 90-minute MPE. Be prepared to spend the full 90 minutes taking the exam. No calculators or help from other resources is permitted on the MPE.

If you experience any technical difficulties, please contact the Department of Mathematics at mathassessment@math.tamu.edu.

Online Orientation

All transfer students are required to complete an online orientation module before they attend their New Student Conference. Students who arrive at their NSC without completing online orientation will not be able to proceed with scheduled New Student Conference events until they have completed this requirement.

How to access online orientation:

Online orientation is accessible through the Applicant Tab in the Howdy Portal at howdy.tamu.edu. If you have any difficulties, visit newaggie.tamu.edu/online for support or contact the Office of New Student & Family Programs at (979) 845-5826.
CONFERENCE REQUIREMENTS

What if I need testing accommodations due to a disability?

If you have a disability and require specific accommodations to complete any of the NSC placement exams or Texas Success Initiative requirements, please contact the Department of Disability Services to discuss your needs. Reasonable testing accommodations are provided to allow students with documented disabilities an opportunity to demonstrate their skills and knowledge.

In order to coordinate testing accommodations for any of the tests offered through New Student Conferences, students must submit documentation of their disability at least two weeks prior to the scheduled testing date for review. Please contact the Disability Services office at (979) 845-1637 or visit disability.tamu.edu for more information.

Foreign Language Placement Testing

Students who intend to enroll for the first time in a college foreign language course, who have previous knowledge of the language, however acquired, and who have no college credit in the language MUST take a placement test to determine the appropriate course for their level of ability. The foreign language placement test also serves as a basis for credit by examination.

Second language learners who take the Advanced Placement (AP) test, the College Board Achievement test, the International Baccalaureate test (IB) or the SAT II Subject Test in their foreign language of choice do not have to take the required foreign language placement tests, as the results of these tests may be used for placement, however it is highly recommended you complete the placement test. Heritage language learners must always take the placement test, regardless of their scores on high school tests or college level credit examinations, because these tests sometimes are not a good reflection of the language abilities of those students.

The Spanish Language Placement Test is administered by Hispanic Studies in the College of Liberal Arts. There is a $30.00 fee that is due at the time of registration. For more information, call (979) 458-0672. Please visit newaggie.tamu.edu/languageplacementexam to register for this test.

All other Language Placement Tests are administered by International Studies in the College of Liberal Arts. There is a $30.00 fee that is due at the time of registration. For more information, call (979) 845-5144. Please visit newaggie.tamu.edu/languageplacementexam to register for these tests.

All tests are administered the day before the New Student Conference. Students who do not take the placement test prior to their NSC will not be able to register for a foreign language course during their conference.

Please note: Seats in language courses are limited; taking the Language Placement Exam does not guarantee the ability to register for a language course during your first semester.

Texas Success Initiative (TSI) Requirement

The state of Texas requires a demonstrated level of competency in the key areas of reading, writing, and mathematics for all students enrolled at public institutions of higher education. To demonstrate college-readiness in reading, writing and mathematics, a student must either meet a TSI Exemption criteria or pass the TSI Assessment.

You can check to see if you have fulfilled the TSI requirements online through the Applicant Information System. After logging in, look for the “Tasks to Complete Prior to Enrollment” checklist, then “Fulfill the Texas Success Initiative requirements”. If a red X is present, further action is required. Non-compliant students will be blocked from registering for all classes during the New Student Conference, so it is critical that students satisfy this requirement two weeks prior to their scheduled NSC date.

Not all incoming students need to take the TSI Assessment Test. A list of possible exemptions can be found at: http://successcenter.tamu.edu/Texas-Success-Initiative/TSI-Exemptions. If you believe you are exempt but a red X is present in your AIS Checklist, further documentation is needed to verify your exemption. Please contact the Academic Success Center at (979) 845-2724.

All students who are not exempt must first complete the mandatory TSI Pre-Assessment Activity (PAA) and then take the TSI Assessment test. Non-exempt students will be blocked from registering for all classes during the New Student Conference until the TSI Pre-Assessment Activity has been completed, the TSI Assessment test has been taken and scores are on file at Texas A&M University. For more information about fulfilling the TSI requirement, exemptions and testing options, please visit http://newaggie.tamu.edu/freshmen/prepare-for-your-nsctestesting/.
Conference Questions?

newaggie.tamu.edu
Participate in the new student community service project!

The Aggie Orientation Leader Program, in partnership with the Brazos Valley Food Bank, will be collecting canned food goods for donation throughout the summer.

If you are interested in participating, we invite you to bring one or more goods for donation to Check-In on the Pre-Conference Day or Day One of your NSC. No student or family member is required to bring a donation in order to fully participate in the New Student Conference.
You will receive an official schedule at Check-In; however, the following pages will provide an overview of the NSC Schedule and programs. Date specific schedules are posted on the newaggie.tamu.edu website one week prior to your New Student Conference date. Times, locations and specific program descriptions in this publication are subject to change.

Note: if you are attending the June 29–June 30 NSC, it is a combined freshman and transfer conference, which will follow the freshman schedule. Schedule available at newaggie.tamu.edu.

Pre-Conference Day

There are two days of required NSC programs, however we encourage you to arrive on the day prior to your New Student Conference, what we refer to as the Pre-Conference Day. For example, if you are registered for the July 6–7 conference, your Pre-Conference Day will take place on July 5.

You will have the opportunity to go through Check-In early, have your student ID made and take care of many of the to-do items on your NSC Schedule Checklist. Students attending the Pre-Conference Day typically experience shorter wait times to accomplish necessary tasks. If you do not attend the Pre-Conference Day, then you should note that Check-In on the morning of Day One is mandatory.

International students: Please keep in mind when choosing a New Student Conference date that you are required to attend a check-in appointment with International Student Services the day prior to your New Student Conference. Please visit newaggie.tamu.edu/international-students for additional information.

Pre-Conference Day

<table>
<thead>
<tr>
<th>TIME</th>
<th>PROGRAM</th>
<th>DESCRIPTION</th>
</tr>
</thead>
<tbody>
<tr>
<td>9:00 a.m.– 4:00 p.m.</td>
<td>Residence Hall Tours</td>
<td>Available to guests wishing to see furnished rooms of Hullabaloo Hall, Modular, Corridor, Balcony and Ramp style buildings. For specific times visit reslife.tamu.edu/conferencesTours/reshallTours or call (979) 845-0557. In addition to the regular Residence Hall Tours, we offer White Creek tours and Commons tours. White Creek tours and Commons tours will run from 12:00 - 4:30 (the last tours leave at 4:30).</td>
</tr>
</tbody>
</table>
| 1:30 p.m.– 8:00 p.m. | On-Campus Conference Accommodations Check-In | Students and families staying in on-campus conference housing may check into housing at the following times:
| 3:30 p.m. – 4:30 p.m. | Check-In | You will receive all of your orientation materials, including a map and official conference schedule. You will also have the opportunity to clear any holds on your account. |
| 3:30 p.m.– 4:30 p.m. | Campus Tours | Get acquainted with the campus, its unique history, and the traditions of Texas A&M. Orientation Leaders will conduct 45-minute walking tours of central campus, departing from conference Check-In about every 10 minutes. Participants should wear comfortable clothing and walking shoes, and bring an umbrella in case of inclement weather. An alternative tour is available for those who would prefer a virtual tour experience. |
| 4:00 p.m.– 4:30 p.m. | Money Tips for Students | During college, students have to make tough financial decisions which can help shape the rest of their lives. This presentation provides recommendations which can help students be more financially successful during college so that they can be in a great financial position upon graduation. |
| 5:30 p.m.– 7:00 p.m. | Evening Social with the Orientation Leaders | The Aggie Orientation Leader Program and The Association of Former Students invite new students and family members for light refreshments as you explore the different exhibits on display at the Clayton W. Williams, Jr Alumni Center. This is a casual, come and go social where Orientation Leaders will host activities and be available to answer any questions you have. |

Open Recreation Utilize the Rec Center at your leisure. Check in with the Member Services Desk at the Rec Center to gain passes. Equipment fees may apply. Proper attire is required. Family members under 18 must be accompanied by an adult at all times.

Class T-Shirts

Purchase your Official Class of 2018, 2019, or 2020 T-Shirt! T-shirts are $15 each and will be available at Check-In on the Pre-Conference Day and Day 1.
## Day One

The first mandatory event of your NSC begins with Check-In, provided you did not arrive and check-in on the Pre-Conference Day. Programs on Day One provide an overview of resources and services available to students and highlight important details for your transition to Texas A&M.

Veteran and Dependent Services and Resources

At Texas A&M University, we take great pride in our standing as a national leader in service to our veterans and other military-affiliated students. We are committed to serving well those who have served through a uniquely collaborative support network that provides personalized resources and services. Our two offices, the Veteran Resource and Support Center and the Veteran Services Office, have a unique and powerful relationship that is specifically designed to facilitate your transition and success.

The Veteran Resource and Support Center serves the needs of all veterans and military-affiliated students with uniquely tailored campus and community resources. The Veteran Services Office provides services and support for all of your VA and state educational benefits. In addition to certifying your benefits, they can answer questions and provide assistance with financial aid and scholarships. We are here to serve you and connect you to the rest of campus. THANK YOU for your service to our country, and we stand ready to serve you as you pursue your education.

**Services from the Veteran Resource and Support Center:**
- Academic support and student life skills though the Aggie Vet Network and Vet Connect programs.
- Course credit for military service, academic resources and military service withdrawals.
- Military admissions and Vet Success (VA) on Campus Support.
- Relocation/housing and Disability Services assistance referrals.
- Student Veterans Association [aggieveteranlife.com](http://aggieveteranlife.com).
- Corps of Cadets Delta Company — for combat veterans who want to join the Corps.

**Veteran Resource and Support Center**
Koldus Building, Suite 112
(979) 845-3161
aggievets@tamu.edu

**Student Veterans Association**
aggieveteranlife.com

**Services from the Veteran Services Office:**
- Federal and state veterans’ education benefits processing.
- Scholarship and financial aid advising.

**Veteran Services Office**
Pavilion Building, Room 205
(979) 845-8075
veterans@tamu.edu
veterans.tamu.edu

---

**When do Classes Begin?**
The first day of summer one term classes is May 30 and summer two term is July 5. The first day of the 2017 Fall Semester is August 28.
How can I change my Conference Date?

You are required to attend the conference date for which you are registered. Students are not allowed to participate in a conference they are not registered for in advance. You can change your conference date as long as dates are available on the NSC registration website, accessible through applicant.tamu.edu (AIS). As dates are filled they are removed from the site and are no longer available due to capacity limits.

Students will not be forced into conferences to accommodate changes in their personal schedule due to work conflicts or travel. Appeals to change into a restricted or full conference are only granted for military orders, medical emergencies or extreme extenuating circumstances which students can substantiate with written documentation.

Appeals are submitted online at applicant.tamu.edu by going to the ‘Contact Us’ tab, clicking ‘Ask A Question’, and selecting a subject type of ‘NSC Appeal’ and completing the required fields.

If a family member or guest plans to attend the NSC with me, do they need to register?

Yes. Each family member or guest who wishes to attend must register online and pay the respective conference charges. Registration for family members is a separate process from the student registration. For more information and to register, please visit newaggie.tamu.edu/family-and-guests. Priority registration is open until May 1; after May 1, additional charges will apply. For questions related to family member registration, contact New Student & Family Programs at aggiefamilies@tamu.edu or (979) 845-5826. See “Aggie Family Member” insert for more information.

Still have questions?

Be sure to check out the New Student Conference website, newaggie.tamu.edu. The New Aggie website features extended FAQs, PDF versions of every publication you have received from Texas A&M since the time of your admission, and much more!

How Can I Change My Major?

Transfer students are admitted to a specific degree granting program and should be aware that not all other majors may be available to them for future changes of majors. Changes of major across colleges will not be considered for at least one full semester. Many departments and colleges have grade point requirements, and Texas A&M residency requirements and restrictions for changes of major.

Your course registration at your New Student Conference will be limited to the degree program to which you have been admitted. For more information, please contact your specific academic college.

When do I pay for tuition, fees, & optional campus services?

Tuition and fees payment information may be found online at sbs.tamu.edu. Students will have access to view fee statements and pay online beginning in August. An email notification will be sent to the student’s Texas A&M Gmail account with a link to the online statement when fees for the fall term have been calculated.

Students attending August conferences are encouraged to pay tuition and fees immediately after registering. Payments may be submitted online or in person at the General Services Complex in Suite 2801 (expect long lines in August).

Payment options include:

- Online credit cards and e-checks.
- Check, cashier’s check or money order.
- Wire transfer.
- Installment plan.
- Emergency tuition and fee loans — see Loan Applications at financialaid.tamu.edu for details.

In addition to registering for your classes during your New Student Conference, you will have the opportunity to select from various optional services. These may include dining plans, parking permits and a sports pass. Any optional services that you select will appear on your fee statement in addition to your tuition and any required fees. A list and description of required and optional fees can be found at sbs.tamu.edu.
Extended Programming for Incoming Students

Extended orientation programs are designed to provide new students with additional opportunities to socialize and network with new and continuing students. While attendance at a New Student Conference is mandatory for all new undergraduate students, participation in extended orientation programs, such as T-Camp, ExCel, Venture Camp, or Transfer Student Program, is optional but highly encouraged! For information on the various programs available, please visit newaggie.tamu.edu/transfer/after.

Howdy Week: Aggieland’s Week of Welcome, August 20–27

Your classes are set, you’ve moved in, and you have learned some of the traditions that make this place so special...what’s next? Howdy Week! This week is full of events and opportunities for new and returning students to become familiar or reacquainted with the Texas A&M campus, fellow Aggies and the Bryan/College Station community.

Howdy Week provides you an opportunity to learn more about the campus, other students and college life in general through a series of educational and social events sponsored by university departments, colleges, student organizations, residence halls and community members. Howdy Week is coordinated by the Office of New Student & Family Programs and takes place the week before classes begin in the fall. For more information, please visit howdyweek.tamu.edu.

Texas A&M Gmail

As a confirmed new student, you now have a Texas A&M Gmail account. Your email address is NetID@tamu.edu. Your NetID is the same ID you use to log in to Howdy and the Applicant Information System (AIS). You should start checking your Texas A&M Gmail account regularly because important information will be sent there prior to your New Student Conference.

To check your email, visit google.tamu.edu and log in with your NetID and password. You can also set up Texas A&M Gmail on your smartphone so you won’t miss any important emails! To learn how, visit u.tamu.edu/mobileemail.

If you have questions about your Texas A&M Gmail account or NetID, call the Texas A&M Information Technology Help Desk Central at (979) 845-8300 or visit IT.tamu.edu.
Need directions? This map highlights locations specific to NSC programs. A more comprehensive map will be provided at NSC Check-In and is also available at maps.tamu.edu.

NSC Check-In is held in the Zone Club (north end zone) of Kyle Field. The physical address for Kyle Field is:
198 Joe Routt Blvd.
College Station, TX 77843
Welcome to the Aggie Family! The next few years promise to be exciting ones for you. Texas A&M will connect you with students, faculty and staff from varied backgrounds, diverse cultures and unique experiences. Your time at Texas A&M will be spent in the pursuit of knowledge and the engagement of lifelong learning.

New Student Conferences en Español

Thanks to the generosity of The Association of Former Students, the Office of New Student & Family Programs offers Spanish translation for family members and guests during the New Student Conference Programs designated for Spanish translation will be noted in the NSC schedule and provided via headset.

Family members interested in having programs translated will need to visit the Help Desk on Day One of the NSC to reserve a headset. Additionally, a Spanish-speaking staff member will be available at Check-In and the Help Desk for family members to ask questions as needed.

These services are provided free of charge, but we do request that families indicate their interest in utilizing this service on their family/guest registration form. More details at newaggie.tamu.edu/es.

Accompanying Family Members and/or Guests

Students are encouraged to share this publication with their family members and/or accompanying guests. The interior packet of this booklet is a publication catered to individuals supporting students through their academic pursuits. While the New Student Conference is only mandatory for students, we invite family members and guests to attend and participate in sessions designed for them. Registration for family members and guests is required and separate from the student registration process. Further details about registration and conference programs for family members are located inside.

When you come to your New Student Conference, make sure you bring:

- NSC confirmation letter and this NSC Handbook. If you do not have your confirmation letter, print out a copy of the NSC Confirmation page in AIS (applicant.tamu.edu), which will be located on the ‘My App Status’ tab after clicking the Registration Details button.
- Transcripts for all college work previously completed, if they have not already been accepted by Texas A&M.
- Texas Success Initiative test results or scores showing exemption, if they have not already been sent to Texas A&M.
- Government-issued picture identification (driver’s license, passport, etc.) for verification at testing, and to get your Texas A&M ID card.
- Money for meals and extras.
- Comfortable clothes and walking shoes. You will be walking frequently around a large campus for different meetings.
- A light jacket. Weather during the summer in College Station is very hot and humid, but conference rooms can be chilly.
- Umbrella or raincoat (as needed).
- A pen and paper to take notes.
- A refillable water bottle.
- Laptop computer (optional). You will have access to Texas A&M computers in the lab; however, some find it convenient to bring their own laptop to view the online course catalog, course schedules, etc.

At your New Student Conference:

- Expect to hear from your student and take part in conference sessions.
- Receive a New Student Conference Handbook.
- Meet other students, parents, and staff.
- Learn about and experience the campus.

To get the most out of your New Student Conference:

- Prepare for different weather. Bring an umbrella, light jacket, or sunscreen.
- Wear comfortable clothes and walking shoes.
- Bring money for meals and extras.
- Keep your student in mind when attending conference sessions.
- Bring your student’s notes and questions.
- Take notes and ask questions.
- Think about what you want to accomplish during your New Student Conference.
Are you ready for your New Student Conference (NSC)?

Students are expected to come to the NSC prepared. We encourage you to tear out this page to remind you of what you need to do before your NSC. Before your New Student Conference, be sure to:

- Make your NSC overnight accommodations. See page 5 in this book for details.
- Register any family members or guests who are attending the NSC with you. See page 16 and insert.
- Purchase an NSC parking permit. See page 6.
- Submit evidence of vaccination against bacterial meningitis. See page 7.
- Take your Math Placement Exam, Foreign Language Placement Test and/or Texas Success Initiative Assessment. See pages 7-8.
- Complete required online orientation via the Howdy Portal. See page 7.
- Complete the Lab Safety Acknowledgment via the Howdy Portal. See page 8.
- Begin checking your Texas A&M Gmail account. See page 17.
- Download the TAMU Mobile App in the App Store and Google Play!
