### What to expect at your NSC

Pre-Conference Day occurs the day before official programs begin. All activities during the pre-conference day are optional.

Day 1 features sessions regarding academics, resources, and responsibilities as an Aggie. Evening programs help students and families understand what it means to be an Aggie.

Day 2 begins with students meeting with their college to learn about the requirements and expectations of their specific discipline. Class registration takes place in the afternoon.

Attendance at the conference is mandatory and it is the University's expectation that students attend all sessions.

### Change Your Major

If you want to change your major, you must visit the "Change your Major" table at check-in. This is your only opportunity to change your major at the conference. Be advised that certain colleges and departments have enrollment restrictions and a change of major into these programs will not be an option.

### International Students

All students who are neither U.S. Citizens nor U.S. Lawful Permanent Residents must check in with International Student Services (ISS) in order to have their course registration hold removed. Detailed information is available at [iss.tamu.edu](http://iss.tamu.edu). ISS will be present at New Student Conference Check-In.
