  - Differences between BIOL 111 and BIOL 107
Statement of Responsibility (Acceptable Use)
It is a violation of university regulations, state laws, and federal laws if you gain or help others gain unauthorized access to the Howdy portal. If unauthorized access or use is gained, you will be subject to university disciplinary action and criminal prosecution, to the fullest extent of the law. By logging into Howdy, you are responsible for strictly adhering to university policy, state laws and federal laws governing computer security. Penalties exist for unauthorized access, unauthorized use, or unauthorized distribution of information from Howdy. Usage may be subject to security testing and monitoring. Applicable privacy laws establish the expectation of privacy. The university rule, Rules for Responsible Computing (29.01.03.M2), provides guidance for the appropriate use of Texas A&M University’s Information resources.
1. What is the **section**?
2. What is the **CRN**?
3. What is the **course number**?
4. Where do you find **Restrictions/Details**?
