#### Transfer Student Program (TSP)

successcenter.tamu.edu

The goal of the Transfer Student Program (TSP) is to facilitate your transition to Texas A&M. You are not new to the college experience; however, you may have many questions, need support, face unique challenges, or want allies to help you navigate a new campus and campus culture as you become a new Aggie.

TSP provides Transfer Student Peer Mentors to welcome you to the university, answer questions, make referrals, assist in finding resources, offer one-on-one academic support and acclimate you to campus as well as the surrounding Bryan/College Station area. TSP also offers high-impact programming, the Tau Sigma National Honor Society, and social and academic events.
