NEXT STEPS

REGISTER

Register for a New Student Conference (NSC) and confirm your offer of admission by May 1, 2022. The Spring 2022 semester deadline is December 15, 2021.

applicant.tamu.edu

SUBMIT

Provide your bacterial meningitis immunization record or a signed affidavit declining the vaccine at least two weeks prior to your New Student Conference.

medproctor.com/tamu-immunization

COMPLETE

New Student Conference online orientation is required prior to attending the NSC. These modules cover academics and financial matters as well as campus safety.

CHOOSE

Select a tuition rate code. All incoming in-state freshmen will have a choice of opting for either the Four-Year Locked rate, which is a compounded four-year average or the Variable Rate, which is set annually.

sbs.tamu.edu/tuition-fees

TEST

All incoming freshmen are required to complete the MPE. The location and rules for when and where students take the MPE depends upon the college/department to which they are admitted.

WHAT WILL HAPPEN AT MY NSC?
Your NSC is a critical component of your future success as an Aggie. At your NSC you will register for courses as well as learn how to take full advantage of all the academic programs, student services and extracurricular activities Texas A&M has to offer.

WHEN ARE THE 2022 NSC DATES?
Dates are subject to change. Find current information at newaggie.tamu.edu.

CAN I BRING GUESTS TO MY NSC?
Yes, registered family members and guests are welcome to attend.

HOW DO I RESCHEDULE MY NSC?
Click the reschedule button on the My App Status tab in AIS. Only NSCs with available seats will be displayed.

DO I HAVE TO PAY MY NSC FEE?
NSC fees are required and non-refundable. Your fee can be deferred if you used an application fee waiver for the admission application. Choosing this option allows you to register for your NSC without making an immediate payment. The NSC fee will then be added to your tuition bill.

DO I HAVE TO REGISTER FOR AN NSC?
If you do not register for an NSC in AIS by the deadline, we will assume you have declined your offer and cancel your admission. Please note, accepting your financial aid package or registering for on-campus housing does not mean that you have accepted your offer of admission. Those processes are independent from NSC registration.

IF I REGISTER FOR MY NSC, AM I OBLIGATED TO ATTEND TEXAS A&M?
We consider registration for an NSC as a confirmation that you will be attending Texas A&M. If you decide not to attend after registering for a conference, please cancel your admission at howdy.tamu.edu via the Applicant tab, Manage Applications. Your conference fee is non-refundable.

WHY DO I HAVE TO TAKE THE MATH PLACEMENT EXAM (MPE)?
The MPE is a multiple-choice, online examination that helps your academic advisor determine which math course you should take to ensure academic success in your major. All incoming freshmen are required to complete the MPE. The location and rules for when and where you will take the MPE depends upon the college/department to which you are admitted. All students are encouraged to take two practice exams. To take the MPE, visit howdy.tamu.edu and go to the Applicant tab. math.tamu.edu/placement
Math Placement Exam Questions: 979.845.7554

DO IT TOO LATE TO CHANGE MY MAJOR?
No, but a request to change your major must be made at least 7 days prior to your NSC and is never guaranteed. You may request a change of major at howdy.tamu.edu via the Applicant tab, Manage Applications. Some majors have enrollment limits and only available majors will be displayed. Note: a change of major may require changing your NSC date.

DO I HAVE TO TAKE THE TSI ASSESSMENT TEST?
Your TSI status will be noted in AIS. If you are not exempt, you must complete the mandatory Texas Success Initiative (TSI) Pre-Assessment Activity (PAA) and then take the TSI Assessment Test before attending an NSC. Non-exempt students will be blocked from registering for all classes during the NSC until the TSI PAA has been completed, the TSI Assessment Test has been taken and scores are on file at Texas A&M. If you have taken the TSI Assessment Test anywhere other than Texas A&M, please do not assume that your test scores have been sent here.

WHEN SHOULD I SUBMIT MY BACTERIAL MENINGITIS IMMUNIZATION RECORD?
Proof of vaccination should be provided to MedProctor at least two weeks prior to your NSC. You will not be able to check in for your conference or register for classes until this requirement is met.
medproctor.com
admissions.tamu.edu/meningitis

WHEN SHOULD I SELECT A TUITION RATE CODE?
If you are a Texas resident then you must select your rate code before attending your NSC. Go to howdy.tamu.edu, click the icon labeled ‘Howdy Checklist’ at the top, then choose the ‘Undergraduate Tuition Rate Code Selection’ checklist item to make your selection. The choice will be offered prior to your first semester of enrollment and cannot be changed in future semesters.
