## TEXAS A&M CORPS OF CADETS

### *The Keepers of the Spirit*

The Corps of Cadets is the oldest, largest and most visible student organization on Texas A&M's campus. Members of the Corps are known as the Keepers of the Spirit and the Guardians of Tradition, and live at the heart of all of Texas A&M's unique traditions.

Students in the Corps have exclusive access to a variety of resources, including Corps specific scholarships and academic advising. From day one, cadets are provided with the tools they need to learn, lead and inspire at every level.

Though this four-year leadership development program is deeply rooted in its traditional, military based cultural model, around 60% of graduating cadets go on to work in the public, private and nonprofit sectors. The other 40% of cadets commission into the Armed Forces and help Texas A&M uphold its status as the largest producer of military officers outside of the service academies.

There are multiple opportunities to join the Corps of Cadets during your New Student Conference and before the start of the spring semester.

Scan the QR code or visit [tx.ag/TheCorps](http://tx.ag/TheCorps) to connect with a Corps recruiter and learn more about the possibilities available to you within the Corps of Cadets!
