TEXAS A&M UNIVERSITY
College of Arts
& Sciences

Arts & Sciences is the heart of the university and provides the foundation for almost every degree program at Texas A&M.

Each of our students – from future anthropologists to zoologists – will be prepared for our changing world and the demanding, rewarding, and impactful careers ahead.

GREAT Learning

TEXAS A&M UNIVERSITY
College of Arts
& Sciences

Growth. *We promote intellectual and personal growth, through exposure to diverse ideas and novel challenges.*

Respect. *We promote a culture of civil discourse.*

Excellence. *We pursue the highest academic and ethical standards in teaching and learning.*

Autonomy. *We encourage students and faculty to explore and question, to think freely and independently.*

Trust. *We trust in one another's capacity for critical thinking, as we engage one another with respect during times of agreement and disagreement.*
