- Emphasis area elective (production)

---

# FREQUENTLY ASKED QUESTIONS

There are many questions that students and families have during the one-on-one advising meeting.

- **AP Credit:** Credit can be accepted at any time before graduation. We recommend not accepting course credit right away.
- **Dual Credit:** Start thinking about a minor if you are mostly core complete
- **TRANS XXXX:** If you believe that a course taken at another institution may count, the course syllabus can be submitted for review. The department's decision is **final**.
- **"Hard" Classes:** If you are thinking about professional school, science here *(except PHYS)*

---

# ASK YOURSELF

**You own your education:** While we will certainly help you talk through course options, ultimately the decision is yours.

**Do you want 12 or 15 credit hours?**

**What concentration do you want?**

**What are your primary choices for core classes?**

**Do you have time commitments to consider?**

---

# ANIMAL SCIENCE HONORS

**Program Benefits:** **Smaller class** sizes, **deeper understanding** of course material, **early** priority **registration**, **recognition** at graduation/on transcript.
