A wide-angle, high-angle photograph of a large outdoor football stadium, likely the University of Texas at Austin's Darrell K. Royal–Texas Memorial Stadium. The stadium is filled with spectators, and the field is green with white yard lines. The word "TEXAS" is visible in large white letters on the field. TEXAS A&M CORPS OF CADETS

The Keepers of the Spirit

Founded alongside Texas A&M in 1876, the Corps of Cadets stands as the university's oldest, largest and most recognizable student organization. Today, members of the Corps are known as the Keepers of the Spirit and the Guardians of Tradition, and live at the heart of all of Texas A&M's unique traditions.

Though this four-year leadership development program is deeply rooted in its traditional, military based cultural model, **military service is entirely optional**. In fact, around 60% of graduating cadets go on to work in the public, private and nonprofit sectors. The other 40% of cadets commission into the Armed Forces and help Texas A&M uphold its status as the largest producer of military officers outside of the service academies.

Students in the Corps have exclusive access to a variety of resources, including Corps specific scholarships and academic advising. From day one, cadets are provided with the tools they need to learn, lead and inspire at every level. No matter who you are, where you're from, or what you hope to achieve in the future, the Corps of Cadets is an excellent place to develop personally and professionally.

Did you know? There are multiple opportunities to join the Corps of Cadets! Stop by the Corps of Cadets table during your New Student Conference to learn more about joining the Corps before the start of the fall semester. The Corps also welcomes new cadets before the start of the spring semester. **Scan the QR code** or visit tx.ag/TheCorps to connect with a Corps recruiter and learn more about the possibilities available to you within the Corps of Cadets!
