

# Your Aggie Toolkit: Success in College

---

# Go to Class & Be an Active Learner

- **Go to class** and choose the best seat for YOU
- **Prepare for class** by reading assigned texts & reviewing slides or notes
- **Take good notes** by using resources to develop note-taking strategies
- **Ask questions** about the material
- **Treat online classes** like in-person classes

# Manage Your Time Intentionally

- **Develop a scheduling system** that works for you & use it!
- Break **tasks into manageable chunks**
- Note **optional SI & help sessions** and instructors' office hours
- Use **downtime between classes**
- Make time for **wellness**

# Develop Smart Study Habits

- **Study in advance:** The night before won't suffice
- Use **active learning** strategies
- Choose **where you study** wisely
- **Turn off your phone**
- Try **SI & math help sessions** and **writing consultations**

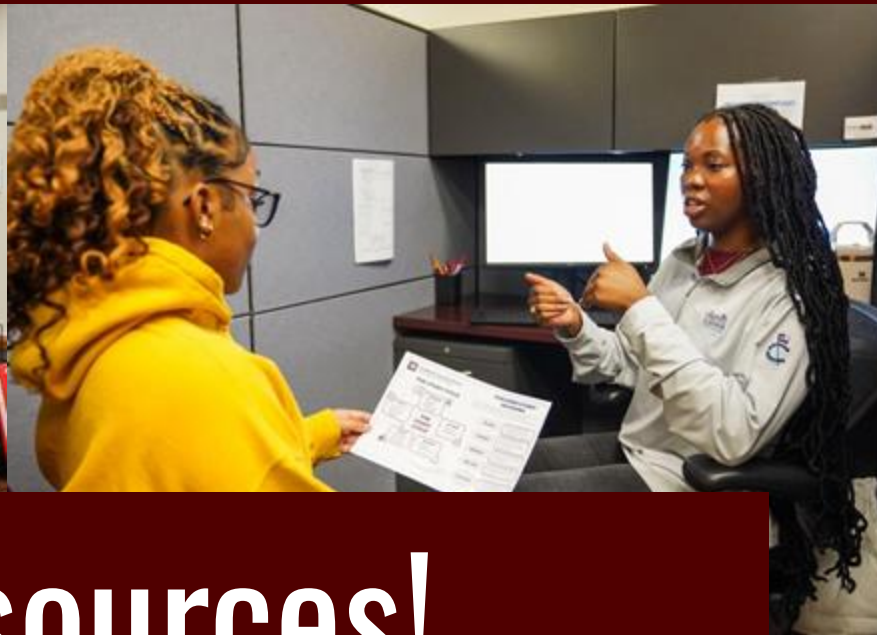

---

# Make Connections

- **Get to know**
  - **Classmates (Study Groups/HU)**
  - **Instructors**
  - **Academic Advisors**
- **Study in proximity to others** learning the same thing as you
- Find **peers with similar interests** through student orgs
- **Get out of your comfort zone** by talking to new people & trying new things

# Use Your Resources!

# Academic Success Center

## Academic Support

**Academic course support** for over 250 courses
