

2025 NSC Education Abroad

Today's Agenda

- Why go abroad?
- How much is it going to cost?
- What are my options?
- Will it delay my graduation?
- Health & Safety

It's an Aggie Tradition

- Top ranking university for sending students abroad
- Thousands of Aggies abroad each year
- 400+ different programs
- 100+ different countries
- All 7 continents

"Going abroad made me confident in my major and gave me direction for the rest of my college years and for my career. I never would have chosen my future path without getting out and traveling internationally."
-Sam

Why Go Abroad?

"Getting the chance to study abroad allowed me to explore different aspects of myself personally and academically. I'm so grateful for the experience to broaden my horizons in every way."
-Andres

How much is it going to cost?

- Costs range from low to high to anywhere in between
- Various factors determine cost
 - Location
 - Duration
 - Program type
 - Inclusions

Funding your experience

tx.ag/FundingAbroad

\$1.5M

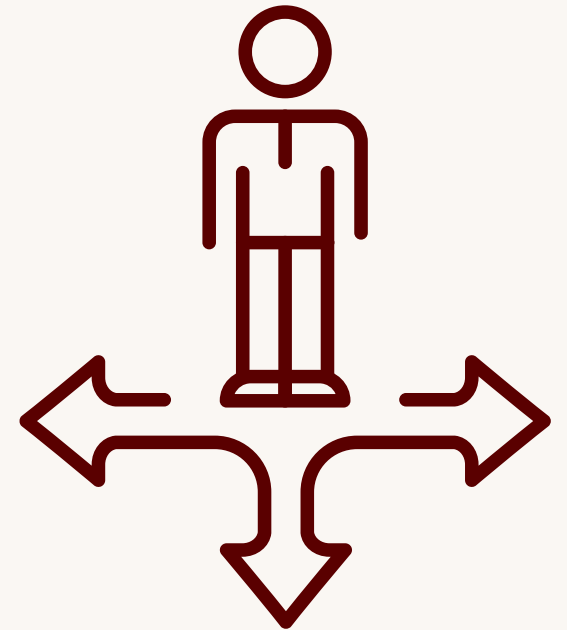

Awarded annually
in scholarships

- Scholarships
- Financial Aid

- Non-credit (internships, service-learning)
- 1 week to 1 school year in duration

Affiliate Providers

- Transfer Credit
 - Pre-Approval Form for Transfer Credit
- Study, intern, and volunteer options
- Wide variety of locations and courses
- Classes with local and U.S. students
- Summer, Semester, Academic Year
- Tuition & fees included in program cost
- Additional scholarships through the provider
- Dual application process

Exchange

- Transfer Credit
 - Pre-Approval Form for Transfer Credit
- Affordability
- Pay Texas A&M Tuition
- Classes with local and other international students
- Wide variety of courses
- Semester and full academic year
- Immersive and more independent experience
- Dual application process

tx.ag/Exchange

Faculty-led

- Texas A&M Credit and Tuition
- Texas A&M Faculty/Staff and Students
- Primarily Summer and Winter Break programs
- Some semester long programs
- Great for students who want to take specific TAMU courses abroad and build a close relationship with fellow Aggies and trip leaders.
- One application

Field Trips

- Texas A&M Credit and Tuition
- Texas A&M Faculty/Staff and Students
- Majority of course taught on-campus, remainder taught abroad
- Range from 1-2 weeks
- Spring Break, Winter Break, and Summer
- Great for first-time travelers
- Fits into busy schedules
- One application

Other Experiences

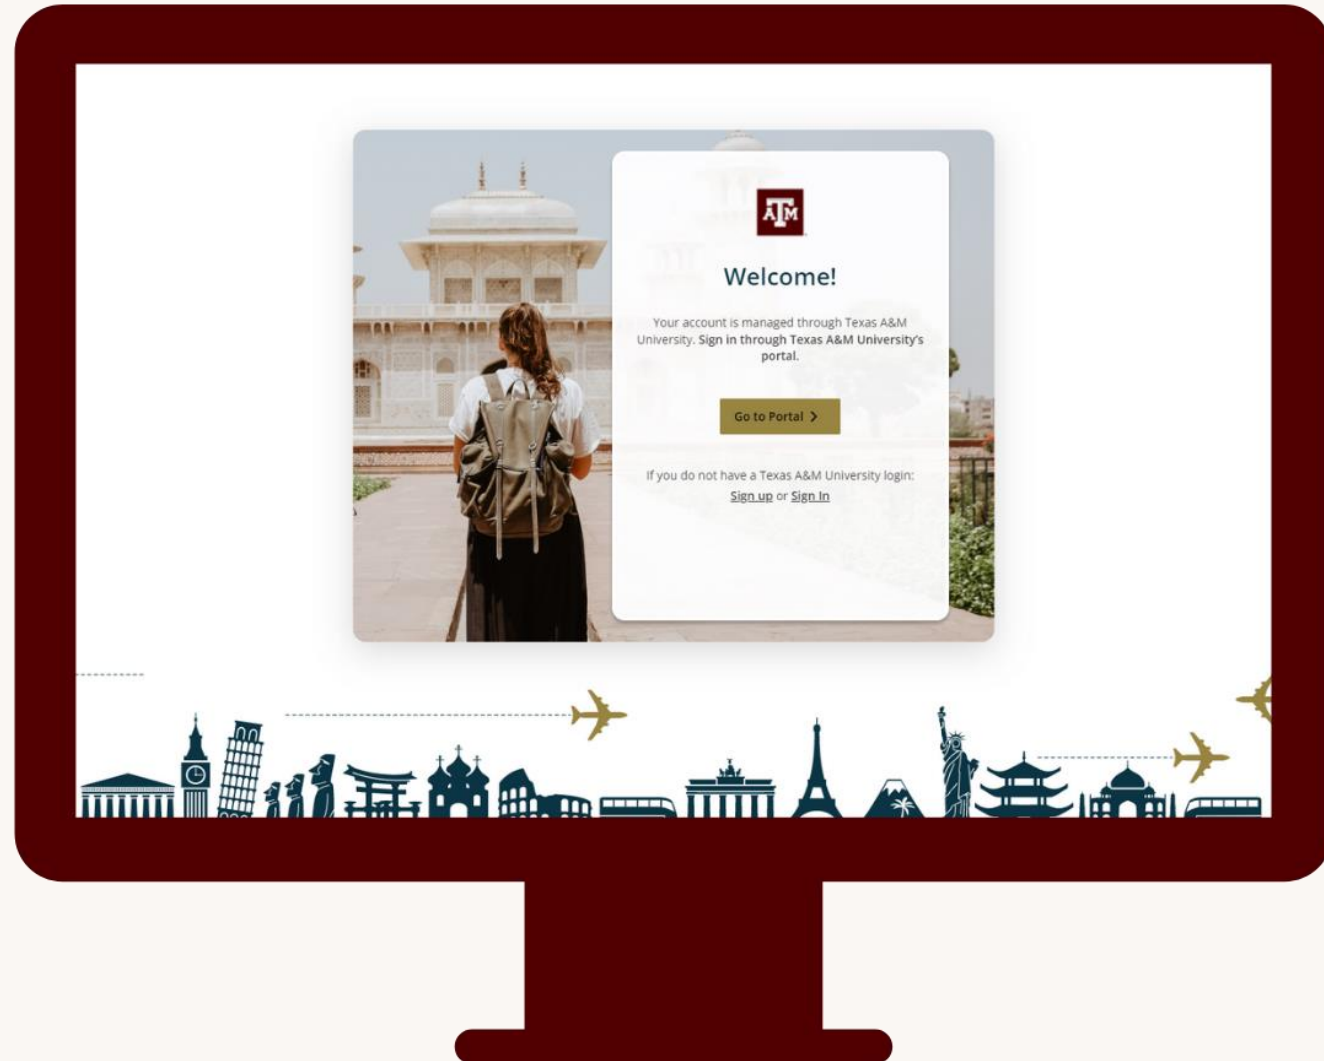

- Student Groups, other group programs
- Independent Experience
 - Transfer Credit, TAMU Credit, or No Credit
 - Any experience that is not through an affiliate or a sponsored A&M program listed in the portal
- Texas A&M University students are required to register their international travel with Education Abroad for risk management purposes and compliance, per the University Student Travel Rule 13.04.99.M1.
