MOST PROGRAMS REQUIRE 3 TO 4 YEARS OF STUDY AFTER COLLEGE.

HOW CAN OPSA HELP YOU?

Professional School Advising (OPSA) is the central location for information concerning professional schools - law and health careers.

- Full-time Advisors (appointments, group advising, e-mails)
- Workshops (application, interview, personal statement, essay reviews)
- Pre-professional Student Organizations (primary advisors)
- Listserv information (student group meetings, volunteer opportunities, jobs)

OPSA is committed to helping students achieve their goals.
