- Courses denoted by a handwritten \* are courses recommended for your next semester

# DEGREE REQUIREMENTS

An aerial photograph of a large football stadium, likely the Cotton Bowl in Dallas, filled with a massive crowd of spectators. The football field is visible in the center, with "TEXAS A&M" written on the grass. A large red banner is superimposed over the middle of the image, containing white text. The sky is blue with some clouds.

# GENERAL RULES

- Mandatory Advising
- Course Sequencing
- Progress Towards Degree
- Course Forcing

# Online 50% Rule

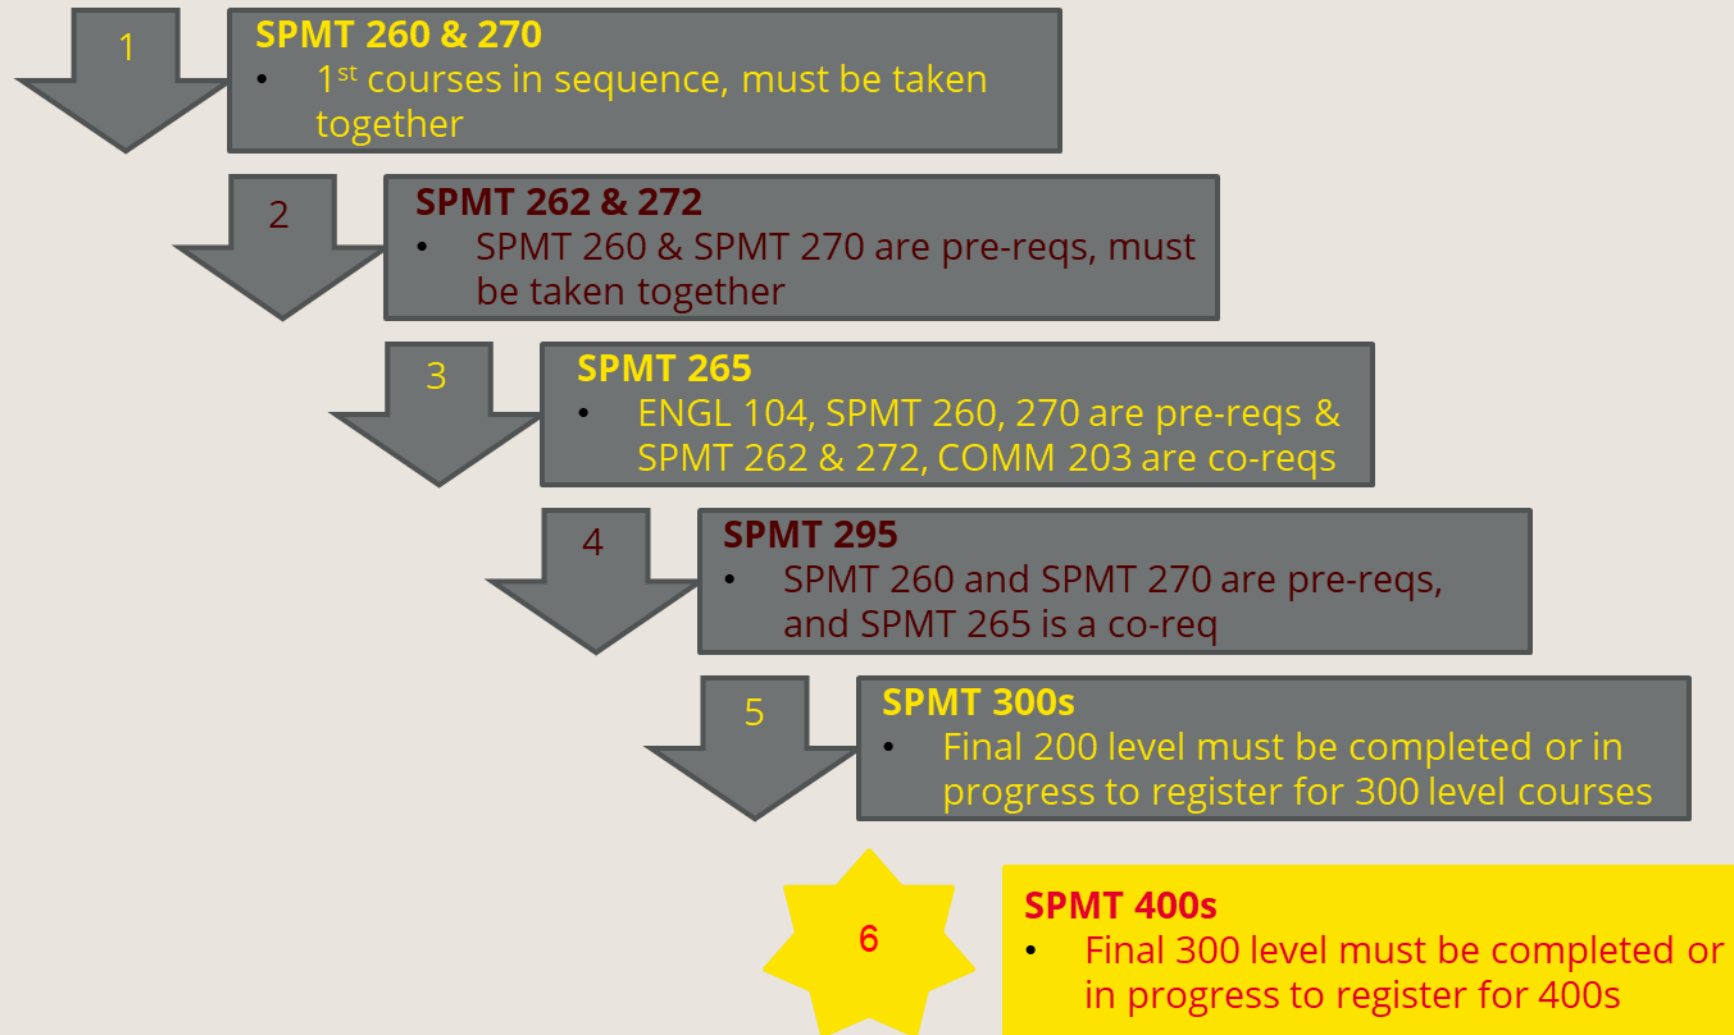

All College of Education and Human Development Degrees are traditional face-to-face bachelor's degree programs. Since these are not distance education programs students cannot take more than 50% (60 credit hours) of their required courses online. This applies to Texas A&M University coursework and does not include courses taken at other institutions. The Texas Higher Education Coordinating Board (THECB) rules that no more than 50% of courses can be taken online if the program is not approved to be offered online as a distance education program.

---

# COURSE SEQUENCING

- Sport management major courses, on the Sport Management degree, must be taken in a specific order
- Meaning students must plan to complete SPMT specific courses in order from 200s to 300s to 400s
- This will create a “cohort” of students that will take courses together from now through graduation
- SPMT Course Sequencing is as follows:
  - SPMT 260 & 270 must be taken together
  - SPMT 260 is a prerequisite for SPMT 262
  - SPMT 270 is a prerequisite for SPMT 272
  - SPMT 262 & 272 must be taken together
  - SPMT 260, 270, ENGL 104, & COMM 203 are prerequisites for SPMT 265
  - 200 level SPMT courses are prerequisites for **ALL** 300 level SPMT courses
  - 300 level SPMT courses are prerequisites for **ALL** 400 level SPMT courses

# CULMINATING EXPERIENCES

- Each student will choose one of four culminating experiences that they will complete throughout their junior & senior year
  - SPMT 295 will provide an introduction to each culminating experience and walk students through which option would best suit them and how to set them up
  - SPMT 481 or 402 will be the course students take after an experience is assigned in which culminating experience courses and/or requirements will be approved by SPMT faculty
- 
- The four options are:
    - Capstone
    - Internship/Field Experience
    - International Program/Study Abroad
    - Research

---

# ELECTIVES

- Students must choose from a specific list of courses in the degree plan packet to fulfill the elective requirement of the degree
- If a student is interested in obtaining a faculty approved minor, they can utilize these hours to do so
  - 15 hours may not cover the entire minor, so students may still have to take additional hours to obtain the minor
  - Example: The business minor requires 18 hours, so a student could use their 15 elective hours and only need an additional 3 hours for the minor
- There are some electives that can be transferred in from other institutions, for a list of those you can also refer to the degree plan packet

# FIRST YEAR EXPERIENCE

- Each incoming freshman is required to be in an FYEX course
- Options:
  - SPMT 285
  - FYEX 101 – any available section
  - KINE 199-047 or KINE 199-66 or KINE 199-520
- Some of you may be required to be in a specific experience based on a scholarship or other scenario. If you are not sure, please feel free to ask.
  - SOMS 111 - (Corps of Cadets; any section)
  - FYEX 101 - (TAMU Athletic specific sections)
