# General Rules

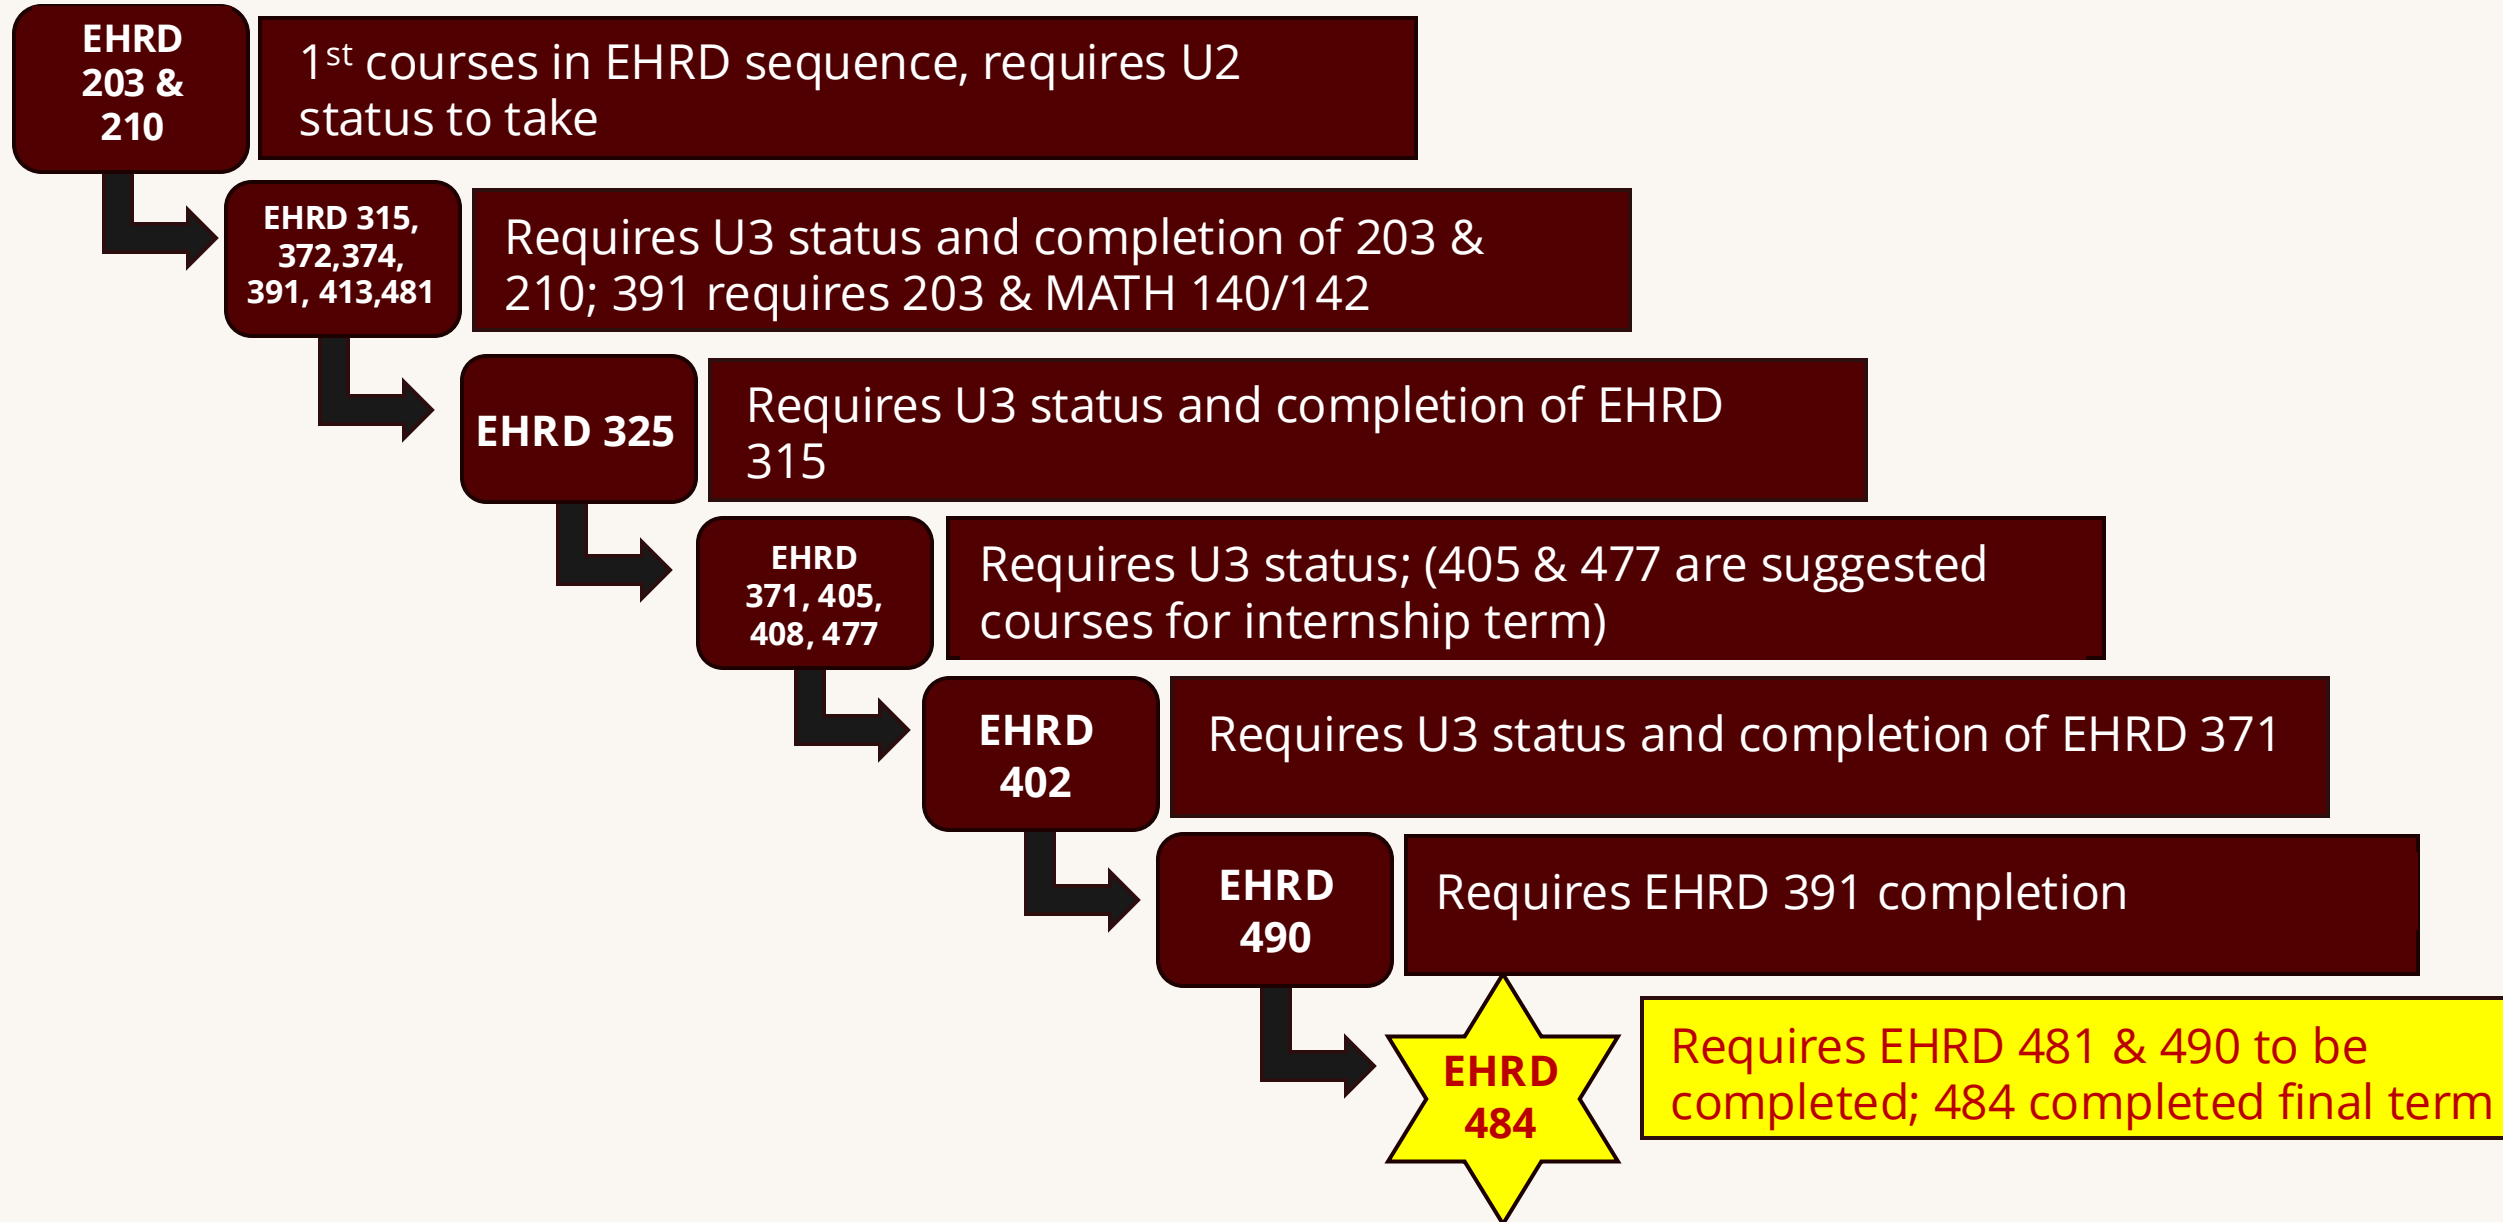

- **Progress Toward Degree**
  - Student Rule 1.5.1
  - Student Rule 12.1-12.2
- **Requirements for Internship**
- **Requirements for Graduation**

# Online 50% Rule

All College of Education and Human Development Degrees are traditional face-to-face bachelor's degree programs. Since these are not distance education programs students cannot take more than 50% (60 credit hours) of their required courses online. This applies to Texas A&M University coursework and does not include courses taken at other institutions. The Texas Higher Education Coordinating Board (THECB) rules that no more than 50% of courses can be taken online if the program is not approved to be offered online as a distance education program.

# Course Sequencing

# INTERNSHIP

- The HRDV program has a professional internship in your **last** semester, which can be in the spring, summer, or fall term.
- Department Policy – Final semester can only be a maximum of **12** hours. You can take less hours if you choose.
  - 6 hours = Internship (EHRD 484)
  - 6 hours = 2 online asynchronous courses. We typically recommend EHRD 405 & 477

## Requirements:

- Students will secure their own internship
- Can be almost anywhere (Internet access is needed)
- 6 credit hours, graded as Pass/Fail
- 400 work hours during term of internship

---

# U-Connect in Canvas

## **What's Included?**

- Important Dates/Deadlines
- Departmental Announcements
- Volunteer Opportunities
- Job and Internship Opportunities
