A group of six young women, likely students, are standing in a row outdoors. They are all wearing matching maroon short-sleeved polo shirts with white V-necks and black pleated skirts. Some of the shirts have "Student Life" or "Student" printed on them. They are all smiling and looking towards the camera. The woman on the far right is giving a thumbs up. They are standing on a paved area with greenery and trees in the background. A small table with water bottles is visible on the left. A large maroon banner with white text is overlaid on the image.

# CONTACT BETWEEN AN ADVISOR AND YOU

- **Appointments: (*Zoom & In-person*)**
  - Howdy>NAVIGATE icon
- **Open Advising Hours: (*Zoom & In-person*)**
  - Sign-in during open advising hours at [tx.ag/ECENwalkins](https://tx.ag/ECENwalkins)
    - If Zoom option is selected, sign-in to provided Zoom link.
    - If In-person option is selected, be present in ECEN Undergraduate Advising Office in WEB, Suite 223.
  - Wait for an advisor to visit with you.
- **TAMU Email Etiquette:**
  - Use TAMU email for all TAMU communication
  - Include name & UIN in all emails
  - Check email frequently (at least 2x daily)
  - Communication with advisors or any TAMU official should be professional and courteous
  - Expect delayed response during peak advising times (i.e. add/drop week, registration)

A photograph of two students sitting at a desk. On the left, a young woman with blonde hair is smiling and looking towards the right. On the right, a young woman with dark hair in braids, wearing glasses and a black t-shirt with a blue graphic, is smiling and looking towards the left. She is holding a white pen and a tablet. In front of them is a laptop with a colorful, sticker-covered lid. The stickers include a sun, a dog, a cat, and the text 'YOU ARE MY SUNSHINE' and 'Sociology TEXAS A&M'. A chalkboard with various greetings in different languages is visible in the background. A dark red banner with the text 'Advising Expectations' is overlaid on the image.

# Advising Expectations

# Advising Expectations

## **Your Advisor Expects You To:**

- Keep your Degree Planner up to date in Howdy – needs to be submitted and approved between March 1 – Sept 30 each year.
- Take notes during advising appointments and meetings.
- Come prepared to advising meetings with your questions, or to discuss goals and educational plans.
- Ask questions if you do not understand an issue or have a specific concern.
- Keep your address and phone information current in Howdy.
- Remember that an advising session is a professional meeting between you and your academic advisor.
- Silence your cell phone and disable your notifications before your advising meeting.
- Accept responsibility for your decisions and actions (or inactions) that affect educational progress and goals.
- Bring a draft schedule or list of classes you are considering, if seeking assistance with your schedule

# Advising Expectations

## **Your Can Expect Your Advisor To:**

- Communicate curriculum and graduation requirements, as well as academic policies and procedures.
- Encourage and guide you to define and develop clear and realistic educational plans.
- Assist you in gaining decision-making skills and assuming increasing responsibility for your education and achievements.
- Be accessible for meetings with you during advising hours, via appointment, walk-in, or email.
- Maintain your privacy according to FERPA and university policy by limiting information given out over the phone and using only your official TAMU email address.
- Work with you to assess your academic performance and areas of strength to ensure they are consistent with your plans.
- Refer you to other campus offices and resources as needed.

A photograph of the Aggie Water Tower in Austin, Texas, with a maroon overlay containing the text 'FERPA'. The water tower is a tall, white, cylindrical structure with a ribbed texture. The top of the tower features a circular band with the words 'WELCOME TO' in small letters and 'AGGIELAND' in large, bold letters. To the left of the tower is a multi-story brick building with large windows, partially obscured by the branches of a large tree. The sky is blue with scattered white clouds. In the foreground, there are several people walking on a sidewalk, and a street sign for 'Ross St.' is visible. A sign on a tree reads 'MAY USE FULL LANE' with a bicycle icon.

# Family Educational Rights and Privacy Act (FERPA)

- FERPA rights reside with the student. Detailed information is provided in an annual notice (sent via email), the University Catalog, and on the Aggie One Stop website.
- Student rights include:
  - The right to inspect and review, with certain limited exceptions, your education record
  - The right to seek amendment of your education record when the records are inaccurate, misleading, or otherwise in violation of FERPA
  - The right to consent to disclosures of personally identifiable information
  - The right to file a complaint with the Department of Education concerning alleged failure by the university to comply with FERPA requirements.

---

# Family Educational Rights and Privacy Act (FERPA)

- Outside of information designated by Texas A&M as directory information, school officials can disclose your student education information only with your prior, written consent or utilizing an appropriate FERPA exception to written consent.
- Family Members: The best practice is for your student and you to have an ongoing conversation about their progress in their courses, including any grades. However, your student is able to grant you access to their grades through Howdy.

---

# Student Rules

- Each student has the responsibility to be fully acquainted with and to comply with the Texas A&M University Student Rules
  - [tx.ag/StudentRules](https://tx.ag/StudentRules)
- Two or more unsuccessful attempts of required coursework, including q-drops, withdrawals, and non-passing grades, requiring another attempt to take the course will result in academic probation ([Student Rule 10.21](#)).
- Coursework beyond the scope of the major without obtaining departmental approval, will result in a curriculum violation or closet-major classification ([Student Rule 1.5.1](#)).
- Undergraduate students required to submit an undergraduate degree plan who do not have an approved initial or resubmitted undergraduate degree plan on file by the published deadline will be held from registering for future semesters. ([Student Rule 1.9.4](#))
- It is the responsibility of the student to be sure that course prerequisites are met. ([Student Rule 1.15](#))

# Course Registration

# Degree Plan

Electrical Engineering  
(ELEN)

Computer Engineering  
(CPEN)

\*Refer to Howdy Packet

- Courses in **bold** must be completed with a C or better.
- T= Theory (Lecture)
- P= Practicum (Lab)
- c= co-requisite
- Communications Elective (ENGL 210, or COMM 205, or 243)

*Note: Courses not completed with the required C or better must be repeated in the following semester.*

*\*All required prerequisites must be completed with the grade required by the ECEN department prior to taking the course that requires them.*

# ENGR [X] HIGH IMPACT EXPERIENCE

ENGRx high impact experience provides you with skills & experience which will enhance your engineering degree and thus make you more attractive to employers.

## Step 1

- Identify high impact experience (options listed to the right).

## Step 2

- Complete high impact experience.
- Experience must be completed before your final semester.

## Step 3

- Only once you have completed the high impact experience and ECEN 399 with a passing grade, will you be able to graduate.

### Approved High Impact Experience List:

- Internship (ECEN 484 or ENGR 484)
- Co-op (ENGR 385)
- Study Abroad
- Undergraduate Research (491)
- TAMU University Double Major/Double Degree or Minor
- College of Engineering Certificate
- Elected Leadership Role in: IEEE, HKN, SEC, or Robomaster Robotics
- Corp of Cadets or Military Service
- Research Experiences for Undergraduates (REU)
- Bachelors+ Program

# AP/IB/DUAL CREDIT/TRANSFER CREDIT

## Advanced Placement/International Baccalaureate Scores

To send additional AP/IB scores visit:

- <http://dars.tamu.edu/>

Applying scores to transcript

- Visit the Credit by Examination link in the My Record tab in Howdy

## Dual Credit/Transfer Credit

- Your degree plan notes what you will receive credit for based on your transcript
- AP, IB, Dual Credit or Transfer grades will not be calculated in your TAMU GPA but credit will be applied
- TRNS courses transfer in by title – syllabus may be requested and requires a minimum of a “B”
- NTRN courses do not transfer to A&M

## Common Question

- ENGL 203, COMM 203 (SPCH 1315 and 1321) do NOT fulfill the second Communication Requirement. Only ENGL 210, COMM 205, or COMM 243 fulfill the second Communication Requirement.

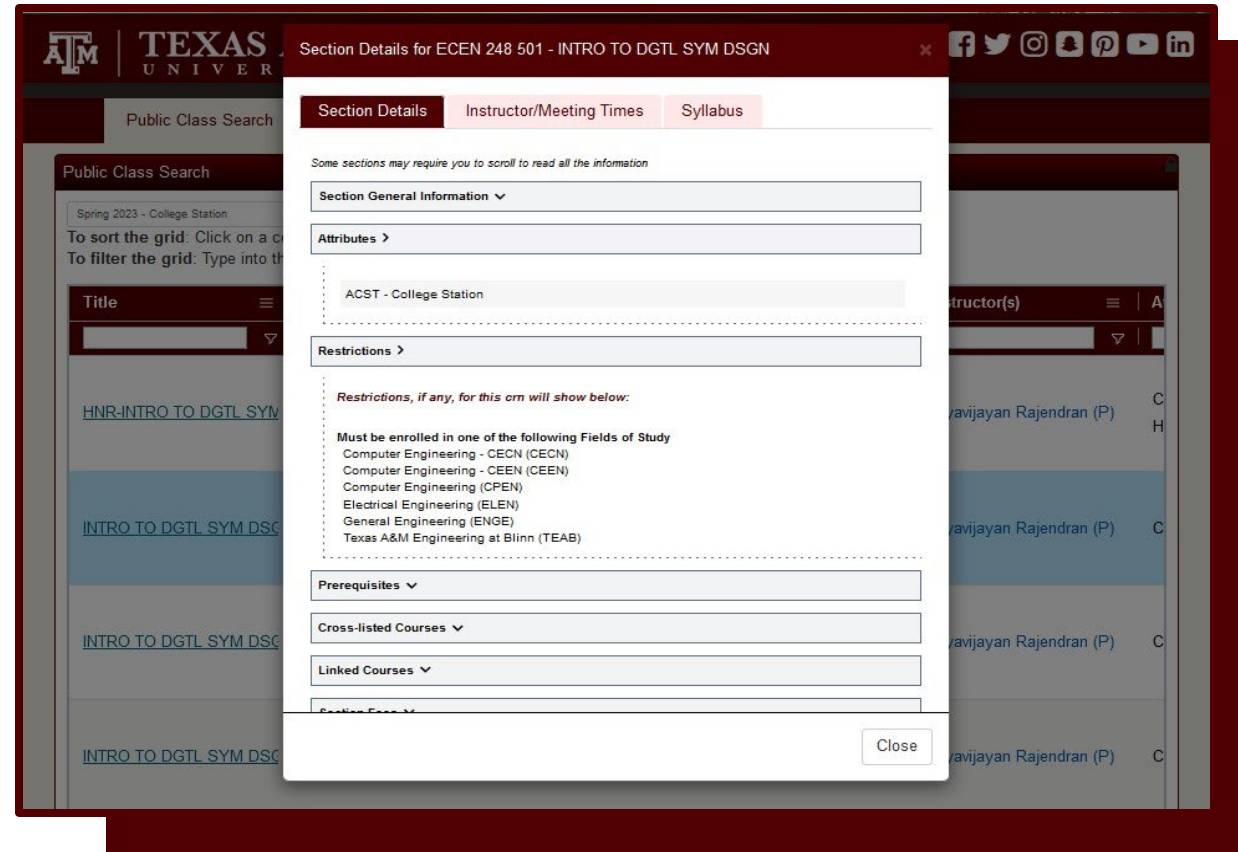

# CORPS OF CADETS & STUDENT ATHLETES

Please visit with your Corp of Cadet Advisor or Athletic Advisor about course requirements.

# Common Registration Errors & Restrictions

- **Prerequisite & test score error:** prerequisites are not met
- **Student attribute restriction:** Lab Safety Acknowledgement is not submitted for the term you are registering for
- **Time conflict:** time conflict with another course you are registered for
- **Field of Study Restriction:** you have to be in a particular major/departement to take the course

# CHEM 107/117 REGISTRATION

- CHEM 107 (**lecture**) + CHEM 117 (**lab**) are co-requisites, meaning you must register for them at the **same time**, not sequentially.
- **Common Questions**
  - X CHEM 119  $\neq$  CHEM 107/117
  - ✓ CHEM 119 + 120 = CHEM 107/117

# NOTES

To be classified full-time – minimum 12 credit hours

Step by step instructions in your Howdy packet

Review suggested schedule in Advising Handout

Email an advisor if you need to change your schedule after final transfer transcripts have been received and processed by the Registrar's office

Remove any holds prior to registration

Be flexible!

Honors sections are 2XX

Some courses have restrictions (i.e. ENGR 102, ENGR 216, ENGL 210, etc.)

GEOG 201 for Engineers (will fulfill a Social and Behavioral Science and International and Cultural Diversity elective)

# AGGIE SCHEDULE BUILDER

- **Registration Tool:**
  - Select courses and compare schedule options based on all sections available to find the best fit
  - Include breaks in your schedule for obligations such as work, studying, or family
  - Save potential schedules to your shopping cart prior to registration
  - Register directly from Aggie Schedule Builder during your assigned registration time
- The Aggie Schedule Builder can be accessed from both "Registration" and "Class Search" in Howdy.

The screenshot displays the Aggie Schedule Builder web application. At the top, a dark red header contains navigation links: "Build Schedule", "Shopping Cart (0)", "Current Schedule (0)", "Help", and "Sign out". The Texas A&M logo is centered below the header. A filter bar shows "Term: Spring 2023 - College Station" and "Course Status: Open & Full", both with "Change" buttons. Below this, "Sessions: All Sessions Selected" and "Instruction Modes: All Instruction Modes Selected" are also shown with "Change" buttons. The user's UIN, 833007178, is displayed. The main content area is divided into "Courses" and "Breaks" sections. The "Courses" section has a "+ Add Course" button and a list of selected courses: ECEN 214 (Electrical Circuit Theory), ECEN 248 (Introduction to Digital Systems Design), and ECEN 303. Each course entry includes a "Prerequisites" link, a "Sections" gear icon, an information icon, a lock icon, and a delete icon. The "Breaks" section has a "+ Add Break" button and a text box for adding break times. A red-bordered callout box with a red arrow points to the "Open & Full" status in the "Course Status" filter, containing the text: "Can't see the course you want? Select 'Open and Full' to see all sections and seat availability".

# Tips for Making a Schedule

## Aggie Schedule Builder Initial set up

- Select Term: Fall **2025 - College Station**
- Select Session: Fall **2025 - College Station - Semester**
- Select Course Status: **Open Classes Only**
- Select Instruction Mode:
  - **Traditional Face-to-Face (F2F)**
  - **Synchronous Video/Web Conf**
  - **Web Based\***
    - **Proceed with caution when registering for Web Based summer courses - Distance Education Fee (\$750+) may apply**

# Tips for Making a Schedule

## **ADVANCED FILTERS recommendations**

- Select 'College Station' under Section Attributes
  - This removes GV (Galveston) and M (McAllen) sections
- Deselect any sections with Restrictions that apply to you such as:
  - Uncheck all 200 level sections (honors) if not applicable
  - ENGR 102:
    - Uncheck all 400 level sections (Reserved for Blinn/TEAB)
    - Choose 'Non Topic Sections'
  - Carefully review each section selected for every course to be sure you meet the requirements

# Tips for Making a Schedule

## Have a plan

- After you have put together your preferred schedule:
  - Double check that you meet the requirements by reviewing prerequisites and restrictions
  - Be sure you have not selected any Galveston, McAllen, TEAB/Blinn, or Academy sections
  - Best practice is to choose sections with more than 1-2 seats available
- It is recommended that you save 2 or more back-up schedules to your Favorites in Aggie Schedule Builder
  - Include a variety of different sections so all of your potential schedules are not relying on one specific section number being available
    - All students attending your conference day hit Register at 2:00pm – sections can fill up quickly
- Check the Aggie Map – make sure you have time to reasonably get to your next class

# Registration Expectations

- If your preferred section of a course is full – it is your responsibility to register for an open section that you qualify for.
  - The ECEN department does not have a force request option
- All ECEN students are required to complete all required prerequisites with a grade of 'C' or higher prior to taking the course that requires them. There are no exceptions.
  - Prerequisites are not tied to a student's catalog year and are subject to change.
- The Degree Plan document provided by the department is a guide – you have the flexibility to move classes around, if all prerequisite requirements are still being met.
  - **Note that prerequisites can be added in future semesters and will apply regardless of your catalog.**

The image features two hands in the foreground, each wearing a gold Aggie Honor Code ring and giving a thumbs-up gesture. The rings are circular with a central emblem and the words "AGGIE HONOR CODE" around the perimeter. In the background, two men are visible, both smiling and also giving thumbs-up. The man on the left is wearing a yellow shirt, and the man on the right is wearing a green shirt. The background is slightly blurred, showing an indoor setting with warm lighting.

# Academic Misconduct

There are 9 different definitions of academic misconduct at Texas A&M University:

- Cheating
- Fabrication
- Falsification
- Multiple Submissions
- Plagiarism
- Complicity
- Violation of College, Program, Departmental or Course Rules
- Abuse and Misuse of Access and Unauthorized Access
- Violation of University Rules on Research

*“An Aggie does not lie, cheat or steal, or tolerate those who do.”*

---

# Reporting & Adjudication

## REPORTING

All suspected incidents of academic misconduct must be reported to the Aggie Honor System Office.

- Students are educated and provided resources regarding their rights and responsibilities through the Aggie Honor System Office.
- This education includes information about their right to file an appeal.

## ADJUNCTION METHODS

- Instructors may only impose academic and educational sanctions.
- The Honor Council may decide finding of responsibility and sanction through an Honor Council Hearing or Honor Council Conference. The Honor Council may impose academic, educational, and university level sanctions.

# Aggie Honor Code – Artificial Intelligence (AI)

- Refer to Course Policies
  - Acceptable use of AI varies by course. Always consult the syllabus and clarify expectations with your instructor.
- Use AI as a Learning Aid, Not a Substitute
  - AI tools can support your learning process but should not replace your original work or critical thinking.
- Maintain Academic Integrity
  - If AI tools are used, be transparent and provide proper attribution when required by the instructor or assignment guidelines.
- Evaluate AI-Generated Content Critically
  - AI output may include inaccuracies or bias. You are responsible for verifying the accuracy and credibility of any information used.

The woman on the right has long brown hair with glasses perched on her head and is wearing a maroon t-shirt with "A&M" and "SCIENCE" visible. She is holding a white tumbler and a brochure titled "OFF-CAMPUS STUDENT CAPTIVATION". Both are holding brochures from "UNIVERSITY HEALTH". They are standing in a crowded indoor space with other students in the background, some wearing maroon shirts. A white folding chair with a blue shirt on it is visible in the foreground on the right.

## Professor's and/or TA's Office Hours

- Check your syllabi or reach out to professors to verify office hours.
- If you are struggling at all in a course, go see the professor!
- They will often look out for you or help you if they know you are actively doing your best in their course.
- They have most likely had other students struggle with their courses before, and should be able to offer guidance.
- May need to ask specifically for resources.
