The image features two hands in the foreground, each wearing a gold Aggie Honor Code ring and giving a thumbs-up gesture. The rings are circular with a central emblem and the words "AGGIE HONOR CODE" around the perimeter. In the background, two men in green Aggie jackets are smiling. The man on the left is a young man with dark hair, and the man on the right is an older man with glasses. The background is slightly blurred, showing an indoor setting with warm lighting.

# Academic Misconduct

There are 9 different definitions of academic misconduct at Texas A&M University:

- Cheating
- Fabrication
- Falsification
- Multiple Submissions
- Plagiarism
- Complicity
- Violation of College, Program, Departmental or Course Rules
- Abuse and Misuse of Access and Unauthorized Access
- Violation of University Rules on Research

*“An Aggie does not lie, cheat, or steal, or tolerate those who do.”*

---

# Reporting & Adjudication

## REPORTING

All suspected incidents of academic misconduct must be reported to the Aggie Honor System Office.

- Students are educated and provided resources regarding their rights and responsibilities through the Aggie Honor System Office.
- This education includes information about their right to file an appeal.

## ADJUDICATION METHODS

- Instructors may only impose academic and educational sanctions.
- The Honor Council may decide finding of responsibility and sanction through an Honor Council Hearing or Honor Council Conference. The Honor Council may impose academic, educational, and university level sanctions.

# Aggie Honor Code – *Artificial Intelligence (AI)*

## 1. Refer to Course Policies

- Acceptable use of AI varies by course. Always consult the syllabus and clarify expectations with your instructor.

## 2. Use AI as a Learning Aid, Not a Substitute

- AI tools can support your learning process but should not replace your original work or critical thinking.

## 3. Maintain Academic Integrity

- If AI tools are used, be transparent and provide proper attribution when required by the instructor or assignment guidelines.

## 4. Evaluate AI-Generated Content Critically

- AI output may include inaccuracies or bias. You are responsible for verifying the accuracy and credibility of any information used.

# Freshman Curriculum Basics

# Math Requirements

**MATH 140 + MATH 142**

*(or MATH 152)*

*(or MATH 151)*

To satisfy the mathematics core curriculum requirement, Mays Business School requires the completion of **MATH 140 + MATH 142** (or equivalent courses).

Eligibility for MATH 142 requires either a C in MATH 140 or a minimum MPE score of an 18.

## **The MPE (if taken) does NOT award credit.**

- It informs you and your advisor of the math course you are eligible to start in.
- If you start in MATH 142, you must still go back and take MATH 140.
- All business students must complete both MATH 140 + MATH 142.
