Spring 2026

Creating a Schedule

12 hours is the *minimum* for full-time status

-We do not recommend more than 16 hours

-13 hours is ideal for your first semester at A&M

You may not be able to follow the Catalog's 4 year plan *exactly*

-Course credit could already be earned for specific semesters

-Courses may be full or not be offered this semester

Your options for online courses while completing your Economics degree at Texas A&M will be very **LIMITED**

Do not register for courses that you believe you have earned AP/IB or transfer credit

Economics is NOT an online degree and cannot be completed online –
you must plan to be in College Station for the spring semester
