## Featured

A group of six young women, likely students, are standing in a row outdoors. They are all wearing matching maroon short-sleeved polo shirts with white V-necks and black pleated skirts. Some of the shirts have "Student Life" or "Student" printed on them. They are all smiling and looking towards the camera. The woman on the far right is giving a thumbs up. They are standing on a paved area with greenery and trees in the background. A small table with water bottles is visible on the left. A large maroon banner with white text is overlaid on the image.

A photograph of the Aggie Water Tower in Austin, Texas, with a maroon overlay containing the text 'FERPA'. The water tower is a tall, white, cylindrical structure with a ribbed texture. The top of the tower features a circular band with the words 'WELCOME TO' in small letters and 'AGGIELAND' in large, bold letters. To the left of the tower is a multi-story brick building with large windows, partially obscured by the branches of a large tree. The sky is blue with scattered white clouds. In the foreground, there are several people walking on a sidewalk, and a street sign for 'Ross St.' is visible. A sign on a tree reads 'MAY USE FULL LANE' with a bicycle icon.

FERPA

# Family Educational Rights and Privacy Act (FERPA)

  - The right to file a complaint with the Department of Education concerning alleged failure by the university to comply with FERPA requirements.

# Family Educational Rights and Privacy Act (FERPA)

- Outside of information designated by Texas A&M as directory information, school officials can disclose your student education information only with your prior, written consent or utilizing an appropriate FERPA exception to written consent.
- Family Members: The best practice is for your student and you to have an ongoing conversation about their progress in their courses, including any grades. However, your student is able to grant you access to their grades through Howdy.

The image features two hands in the foreground, each wearing a gold Aggie Honor Code ring and giving a thumbs-up gesture. The rings are circular with a central emblem and the words "AGGIE HONOR CODE" around the perimeter. In the background, two men are visible, both smiling and also giving thumbs-up. The man on the left is wearing a green Aggie jacket, and the man on the right is wearing a dark suit and glasses. The background is slightly blurred, showing an indoor setting with warm lighting.
